This is a set of three mazes about finding tax, tips, and discounts. I like to use them as a bell ringer after the students have gotten the hang of it. These particular mazes have two mazes where they are just finding the tax, tip, or discount and the last maze they have to find the total after tax, etc. [Percent word problems: tax and discount \(video\) | Khan](#)

### Tax, Tip, and Discount Word Problems

Tax, Tip, and Discount Word Problems Complete the following problems. Show your work on a separate sheet of paper and attach. 1) The Sweater Shack is offering a 20% discount on sweaters. If the regular price of a sweater is \$15.00, what is the discount? What is the sale price? 2) After a 15% off sale, some jeans were \$11.50.

Tax and Discount – A Co Teaching Lesson Plan

Our sales tax is 72 cents, so I'll write that here. So 72 cents is going to be equal to my sales tax rate, they also tell us that, that is 6%, is going to be equal to

6% times my original price and that's what they're asking for, the original price. So times, I'm just going to call it P for short, original price. 8 Tax, Tip, and Discount Activities for Math Class - Idea ...
