The first book to apply growth mindset strategies to SAT prep. Preparing to take the SAT can seem overwhelming and stressful, making it all too easy to give up or zone out on your prep work. However, if you follow the growth-mindset approach outlined in this book, you will stay focused and driven and continue to improve until you surpass your highest expectations on test day. Research has shown

that adopting a growth mindset is directly linked to increased test scores, so the authors of this helpful study guide have interwoven this revolutionary approach to teaching into every aspect of their SAT prep. In addition to the test prep and practice questions, the authors impart powerful advice on how you can overcome stress and anxiety while staying positive and setting goals during the months leading up to the test. The strategies in *Crush the SAT with Growth Mindset* will be invaluable tools for
