tberg@telenet.be the M-audio code 49 Mackie control doesn't work with Sonar, it only says connected in the control bar. So, no second option (at least not out of the box, there is at least one mod of Mackie plug-in which can work). My first goals are to use the faders for volume (the ninth for the master), the rotary's for panning, the transport controls for transport and the pads for drumming ...

The Source Selection control on the remote control only functions when the Source Selector knob for that zone is set to “REMOTE” on the mixer. When the remote control is active, the green LED on the remote control below the Source switch (labelled ACTIVE) lights. When this LED is not lit, the remote source control is not operational.

How To Use A Mitsubishi Air Conditioner Remote Control Guide
The fastest way to control your TV without worrying about waiting for a replacement remote is to get out your phone. If you've set this up and given permission before, or you still have your remote, it's a breeze. But if you've lost your remote, when your TV asks permission for your phone to connect you can use the controls on your TV to give it.
