The Mistakes I Never Forget is the story of the struggle of a young man, Gautam—who moves to Bangalore, the silicon city of India—in hunt of a lucrative job in a software company. He has completed his engineering degree, but struggles to speak English fluently. This makes his employers' think he is not qualified enough and refuse to give him a job. He shares space in a dingy one room apartment with three other young men, Lawrence, a nerd, Kamesh a hulk, and Madhan, who doubles up as their chef—all struggling for months to find software jobs and make ends meet. Even his roommates and friends ridicule him because of his language shortcoming. However, when a beautiful, talented young woman, Reshmi, falls in love with Gautam, his friends are amazed and question the why and how of this relationship. Reshmi's works in the software industry, but dreams of being a choreographer. Will she fulfill her dream? Will Gautam get a job in a software company despite his stuttering English?

Not since the landmark publication of Handbook of Human Intelligence in 1982 has the field of intelligence been more alive than it is today. Spurred by the new developments in this rapidly expanding field, Dr Sternberg has brought together a stellar list of contributors to provide a comprehensive, broad and deeply thematic review of intelligence that will be accessible to both scholar and student. The field of intelligence is lively on many fronts, and this volume provides full coverage on topics such as behavior-genetic models, evolutionary models, cognitive models, emotional intelligence, practical intelligence, and group difference. Handbook of Intelligence is largely expanded, covering areas such as animal and artificial intelligence, as well as human intelligence. It fully reflects important theoretical progress made since the early 1980s.
