**THE SECRET'S OUT ON BULLYING** Here is the all-too-familiar story of Monica. She and Katie have been friends since kindergarten. Monica loves being around her when she's nice. But there are times when Katie can be just plain mean. And Monica doesn't understand why. Monica is a target of relational aggression, emotional bullying among friends who will use name-calling and manipulation to humiliate and exclude. But with a little help from a supportive adult—her mother—Monica learns to cope and thrive by facing her fears and reclaiming power from her bully. Including a foreword by the founder of the The Ophelia Project, as well as helpful tips, discussion questions, and additional resources, *My Secret Bully* is a vital resource for children, parents, teachers, and counselors.

**Climate Change and Youth** Simon and Schuster

Maya's friend Bailey loves to talk about everything and everyone. At first, Maya thinks Bailey is funny. But when Bailey's talk leads to harmful rumors and hurt feelings, Maya begins to think twice about their friendship. In her fourth book for children, relational aggression expert Trudy Ludwig acquaints readers with the damaging consequences of "trouble talk"—talking to others about someone else's troubles in order to establish connection and gain attention. Includes additional resources for kids, parents, and teachers, as well as advice from Trudy about how to combat trouble talk. Trudy Ludwig's books have sold more than 50,000 copies. Includes foreword by Dr. Charisse L. Nixon, author of *Girl Wars: 12 Strategies That Will End Female Bullying*.

**Julián Is a Mermaid** Parenting with Scripture

After Katie gets caught teasing a schoolmate, she's told to meet with Mrs. Petrowski, the school counselor, so she can make right her wrong and learn to be a better friend. Bothered at first, it doesn't take long before Katie realizes that bullying has hurt not only the people around her, but her, too. Told from the unusual point of view of the bullier rather than the bullied, *Confessions of a Former Bully* provides kids with real life tools they can use to identify and stop relational aggression.

**The Social Gospel of Jesus** Zondervan

#1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval—and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other

people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Sticky Situations Simon and Schuster

What Kind of Relationship Can You Have with Someone You Fear? For most of us, fear is something we try to avoid. And fearing God hardly sounds like an occasion for joy. But Jerry Bridges shows how the fear of the Lord is actually the key that opens the door to a life of true knowledge, wisdom, blessing, and joy. We all want a deeper, more intimate relationship with God—one that's characterized by joy. But how does fearing God lead to joy? After all, aren't we supposed to love Him and live in intimate relationship with Him? Jerry Bridges explores this paradox as he unpacks the biblical promise that God delights in those who fear Him. Join him as he unveils the awesome greatness of God—His incredible holiness, deep wisdom, and especially His inspiring love. You'll gain a deeper understanding of who God is that will draw you into a truly biblical, and surprisingly delightful, fear of God—a fear that includes your own genuine, heartfelt delight in God. You'll make the startling discovery that the fear of the Lord, far from being something to avoid, is the key to joyful, fulfilling, and genuine intimacy with God. It can change your relationship with God and change your life! Discover the surprising Joy of Fearing God!

Parenting with Scripture Moody Publishers

March: Book One Tyndale House Publishers, Inc.

"If there were a Guinness Book of World Records entry for 'amount of times having prayed the sinner's prayer,' I'm pretty sure I'd be a top contender," says pastor author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. "Lack of assurance" is epidemic among

evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of "asking Jesus into your heart" or "giving your life to Jesus" often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

*Climate Change and Youth* is a pioneering book that opens the door to understanding the profound impact climate change has on the mental health of today's young people. Chapters provide age-appropriate language for a meaningful dialogue and resources for acknowledging children's voices, separating fact from fiction about environmental issues, encouraging participation in activism, creating tools to reduce stress, and highlighting inspirational role models and organizations for action. The book includes firsthand examples, research, children's work, interviews, and terminology. It also shares age-appropriate resources and websites relating to climate change and challenges. Filling a large void in the literature on this topic, this essential resource offers techniques and tools that professionals and caring adults can use to address the stresses associated with climate change and offer strategies for hope, resilience, and action.

Stop Asking Jesus Into Your Heart Teachers College Press

In this updated edition, two distinguished early childhood educators tackle the crucial

topic of what White children need and gain from anti-bias and multicultural education.

The authors propose seven learning themes to help young White children resist messages of racism and build identity and skills for thriving in a country and world filled with diverse ways of being. This compelling text includes teaching strategies for early childhood settings, activities for families and staff, reflection questions, a record of 20th- and 21st-century White anti-racism activists, and organizational and website resources. Bringing this bestselling guide completely up to date, the authors: Address the current state of racism and anti-racism in the United States, including the election of the first African American president and the rise of hate groups. Review child development research with a particular emphasis on recent observational studies that show how White children enact racial power codes. Discuss implementation of the core learning themes in racially diverse early childhood education settings, state standards for preschools and pre-K classrooms, and NCLB pressures on early childhood teaching. Update all resources and appendices, including reading lists and websites for finding resources and organizations engaged in anti-racism work. Louise Derman-Sparks is a past faculty member at Pacific Oaks College in Pasadena, California and the co-author of *Teaching/Learning Anti-Racism*. Louise presents conference keynotes, conducts workshops, and consults throughout the United States and internationally. Patricia G. Ramsey is Professor of Psychology and Education at Mount Holyoke College in South Hadley, Massachusetts and author of *Teaching and Learning in a Diverse World*. Praise for the First Edition— "Derman-Sparks and Ramsey offer an 'alternative vision' for white identity that breaks the mold....The current status of our anti-bias work demands we read [this book] and use it well"—From the Foreword by Carol Brunson Day "A dynamic blend of child development theory, social history, and the best pedagogical practice from two distinguished social justice educators—every teacher of young children should read it!"—Beverly Daniel Tatum, President, Spelman College "An accessible, practical, and essential tool for every teacher of young white children. I especially appreciated the concrete suggestions and abundance of resources from two of early childhood education's most experienced teachers."—Paul Kivel, educator and author of *Uprooting Racism* and *Can Make My World a Safer Place* "By starting with a strong sense of identity that is not race-based, children can move forward to cultivate an anti-racist culture. This book offers caregivers excellent frameworks and tools to make this happen."—TC Record

Trouble Talk Oxford University Press

A 2015 Newbery Honor Book & New York Times bestseller! Going to school and making new friends can be tough. But going to school and making new friends while wearing a bulky hearing aid strapped to your chest? That requires superpowers! In this funny, poignant graphic novel memoir, author/illustrator Cece Bell chronicles her hearing loss at a young age and her subsequent experiences with the Phonic Ear, a very powerful—and very awkward—hearing aid. The Phonic Ear gives Cece the ability to hear—sometimes things she shouldn't—but also isolates her from her classmates. She really just wants to fit in and find a true friend, someone who appreciates her as she is. After some
