Ready-to-Use Conflict-Resolution Activities for Elementary Students Taylor & Francis

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred

review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Sophie's BIG Voice Penguin

Discusses how students may be taught the procedures and skills they need to resolve conflicts constructively.

Conflict Resolution in Early Childhood Chronicle Books

A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

Teaching Conflict Resolution with the Rainbow Kids Program R&L Education

For courses in the Guidance and Management of Young Children. This text examines the nature of conflict among 2- to 8-year-olds from a research-based, constructivist/ecological perspective - integrating themes of caring, building classroom community, connecting curriculum, involving family and community, and responding to the current educational climate. The author thoroughly discusses children's conflicts, emphasizing that peer and community culture make up the foundation for preventing and resolving conflict, and advocates teaching conflict resolution skills via a "three-layer-cake" of understanding, management, and resolution. Coverage presents ways to create a caring classroom - both in physical environment and curriculum, to work with other adults in a child's life, and to implement peer mediation. Throughout, the material stresses the need to understand all children in light of applicable theory and current "best practice" in culturally responsive and inclusive classrooms. Trouble at the Watering Hole (Hindi Translation) John Wiley & Sons Help students develop skills to respond creatively to conflict rather than

responding with destructive or coercive behaviors. Featuring the tried and tested Stop, Think, and Pick a Plan process demonstrated in the primary version of Helping Kids Handle Conflict, this program stresses the importance of teaching students anger management skills, in an effort to achieve conflict resolution skills like de-escalation, problem solving, negotiation, and compromise. Also includes information on bullying--a subject gaining increasing attention nationwide.

Talk and Work It Out Center for Responsive Schools, Inc.

From the Publisher: Teaching Young Children in Violent Times helps teachers and group leaders working with pre-K to 3rd-graders to create an environment in which young children can learn alternatives to the violent behaviors modeled in our society, the media and home. Mixing dialogs, anecdotes and theory, the book provides essential insights into the developmental roots of young children's thinking and behaviors around gender, prejudice, violence and conflict. It offers practical guidelines and activities for meeting young children's needs for safety; helping young children learn to appreciate diversity; and providing opportunities and skills to resolve conflicts creatively and respectfully. This rich resource also supplies suggestions for using dialogue, puppetry, games, play, class charts, curriculum webs, and children's books to turn any classroom into a peaceable one. Diane Levin is a widely known and respected educator and researcher who co-authored The War Play Dilemma and the best-selling Who's Calling the Shots? Published by Educators for Social Responsibility; distributed to the trade by NSP.

Helping Kids Handle Conflict Jossey-Bass

Teaching Students to be Peacemakers IGI Global, Information Science Reference

Parents, Grandparents, Childcare Givers, Counselors, Educators, even Business Leaders . . . Do you wish for greater peace in your world? Are you looking for a way to build independent, communicative, caring, problem-solving individuals on their way to becoming successful, happy, contributing members of society? If so, you are going to love Say What's Wrong and Make It Right. Say What's Wrong and Make It Right is an easy-to-learn, hands-on approach to conflict resolution.

This process encourages and develops responsibility, assertive communication, and problem-solving skills in children . . . and adults as well. Thirty years of honing and field testing with thousands of children in and out of the classroom have provided the foundation for Say What's Wrong and Make It Right. Parents, educators, and counselors report: - "Our total family communication has improved as a result of using Say What's Wrong and Make It Right." - "Even our youngest students are working toward talking through their problems rather than looking for an adult to solve them."

The Young Peacemaker Free Spirit Publishing

Arguing, excluding classmates, "forgetting" to do homework, balking at sharing. These common problems can disrupt learning, frustrate children, and exhaust teachers. This book gives you five strategies for working with children to solve these sorts of problems: problem-solving conferences, conflict resolution, role-playing, class meetings, and individual written agreements. With warmth, wit, and deep insight into classroom life, veteran teacher Caltha Crowe guides teachers in making the most of each strategy. She includes detailed steps, true stories from classrooms, actual conversations with students, and answers to real teachers' questions. Interactive planning pages will help you adapt the strategies for your own students.
