House is a book by American journalist Nellie Bly. It was initially published as a series of articles for the *New York World*; Bly later compiled the articles into a book, being published by Ian L. Munro in New York City in 1887. *Ten Days in a Mad-House* by Nellie Bly The book was based on articles written while Bly was on an undercover assignment for the *New York World*, feigning insanity at a women's boarding house, so as to be involuntarily committed to an insane asylum. *Ten Days in a Mad-House* by Nellie Bly She then investigated the reports of brutality and neglect at the Women's Lunatic Asylum on Blackwell's Island (now called Roosevelt Island).

*Ten Days in a Mad-House* by Nellie Bly The book received acclaim from critics at the time. Accumulation of her reportage and the release of her content brought her fame and led to a grand jury investigation and financial increase in the Department of Public Charities and Corrections. *Ten Days in a Mad-House* by Nellie Bly

Book Award winner Robert V. Remini offers a much-needed, concise history of our country. This accessible and lively volume contains the essential facts about the discovery, settlement, growth, and development of the American nation and its institutions, including the arrival and migration of Native Americans, the founding of a republic under the Constitution, the emergence of the United States as a world power, the outbreak of terrorism here and abroad, the Obama presidency, and everything in between. *Ten Days in a Mad-House* Teachers College Press "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* *The American Yawp* is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung

something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than

asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today. "I want something to do." This remark being addressed to the world in general, no one in particular felt it their duty to reply; so I repeated it to the smaller world about me, received the following suggestions, and settled the matter by answering my own inquiry, as people are apt to do when very much in earnest. "Write a book," quoth the author of my being. "Don't know enough, sir. First live, then write." "Try teaching again," suggested my mother. "No thank you, ma'am, ten years of that is enough." "Take a husband like my Darby, and fulfill your mission," said sister Joan, home on a visit. "Can't afford expensive luxuries, Mrs. Coobiddy." "Turn actress, and immortalize your name," said sister Vashti, striking an attitude. "I won't." "Go nurse the soldiers," said my young brother, Tom, panting for "the tented field." "I will!"
