Teaching Textbooks™ is a math curriculum designed for independent learners. Each Teaching Textbook provides approximately 700 pages of text and 120 - 160 hours of teacher instruction on CD-ROMs, which is like a teacher and a textbook combined into one. One of its main features is that it provides step-by-step explanations for every single problem in the book in a multimedia form.

What I Wish I'd Known About Teaching Textbooks ...

With Teaching Textbooks 3.0, we don't have to worry about scratched CDs or a new activation code, and the girls can access their lessons from any internet-enabled device...like our new Chromebooks! They are loving it! Levels Available. Teaching Textbooks 3.0 currently offers 10 levels – Math 3 (aka 3rd grade math) through Pre-Calculus. For those that start out using Singapore Math like we did, we found that the best time to switch to Math 3 was after Singapore Primary Math 2A.

Teaching Textbooks™ is a lot more flexible than a live tutor. You can use a Teaching Textbooks™ in the comfort of your home on your schedule. Most tutors require that you travel to a tutoring center. Also, to hire a live tutor to walk you through 4,000 problems step-by-step would cost thousands and thousands of dollars.

Maths — No Problem! is a series of textbooks and workbooks

written to meet the requirements of the 2014 English national

curriculum. The MNP Primary Series was assessed by the

DfE 's expert panel, which judged that it met the core criteria

for a high-quality textbook to support teaching for mastery. As a

result, the MNP Primary Series are recommended textbooks for

schools on the mastery programme.

Teaching Textbooks

Textbooks provide organized units of work. A textbook gives

you all the plans and lessons you need to cover a topic in some

detail. A textbook series provides you with a balanced,

chronological presentation of information. Textbooks are a

detailed sequence of teaching procedures that tell you what to

do and when to do it. There are no surprises—everything is

carefully spelled out.

Reviews of Teaching Textbooks curriculum from ...

In the past, Teaching Textbooks was only available in a physical products

format (which we actually did use last year for my oldest). This included

both a CD and a thick paper workbook that followed along with the

materials on the CD.
