This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations At a time when the association of Islam with violence dominates headlines, this beautiful collection offers us a chance to see a radically different face of the Islamic tradition. It traces a soaring, poetic, popular tradition that celebrates love for both humanity and the Divine as the ultimate path leading humanity back to God. Safi brings together for the first time the passages of the Qur'an sought by the Muslim sages, the mystical sayings of the Prophet, and the teachings of the path of "Divine love." Accurately and sensitively translated by leading scholar of Islam Omid Safi, the writings of Jalal al Din Rumi can now be read alongside passages by Kharaqani, 'Attar, Hafez of Shiraz, Abu Sa'id e Abi'l Khayr, and other key Muslim mystics. For the millions of readers whose lives have been touched by Rumi's poetry, here is a chance to see the Arabic and Persian traditions that produced him.

The Essential Rumi - reissue Penguin UK

Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter,

and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi. Rumi - Past and Present, East and West Hampton Roads Publishing
The Christian mystics are the treasure of Western civilization—yet they remain little known among those of us who are potentially their spiritual heirs. Andrew Harvey's anthology confronts us with the mystics in their own words, to show us how well they serve, even now, as guides for the spiritual life—and to challenge our preconceived ideas about the path of Christianity. He has chosen selections that represent all eras of the Christian tradition, as well as the amazing range of people who have embodied it, people like Francis of Assisi, Meister Eckhart, Julian of Norwich, Teresa of Avila, Thomas Merton, Bede Griffiths, and many others. Radical Love Yale University Press

Poems and commentary that open the door for a new generation to experience the ecstatic and embodied spiritual truths contained in Rumi's poetry • Reveals how the four practices of eating lightly, breathing deeply, moving freely, and gazing intently can invoke the divinity within us all • Explains how these practices dissolve the self's need for identity so that we may experience a state of transcendent ecstasy and union with the divine • Takes Rumi's path to finding God from theoretical to embodied practices The great thirteenth-century Sufi mystic and poet Jalaluddin Rumi began his life as an orthodox Islamic believer but felt that to fully experience complete union with the divine he must abandon institutionalized religion and its prescribed forms of worship. Surrendering his will to his overriding urge for a much more immediate, intuitive, and compelling union with the divine, he found that by manipulating certain behavioral aspects of his physiology--eating lightly, breathing deeply, moving freely, and gazing raptly--he was capable of loosening the rigid confines of the self, thereby overriding its limitations and achieving a transcendent merging with his own divinity. His message is simple: if you wish to affect the spirit, you must first make changes in the way your body responds to the world. Through clearly written commentary interspersed with Rumi's beautiful poems, this book details these four practices in a very precise way. As such, it is a sweet and open invitation to follow the examples set forth in order to embark upon one's own path of inner illumination. The freshness of Rumi's poetry dissolves the 700 years that separate his life from our own time, making his message as pertinent today as when he walked the streets of Konya, Anatolia (present-day Turkey), reciting his inspiring verse. This book allows us, through Rumi's gentle guidance, to touch the face of God that resides deep within us all. Rumi: Daylight St. Martin's Essentials Islamic ethics. Teachings of Rumi the Spiritual Couplets of Jalalu-'D-Din Muhammed I Rumi
HarperCollins

A profound, in-depth collection of Rumi's prose and poetry—from his most celebrated works to his more obscure teachings. Jelalludin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

TEACHINGS of RUMI SkyLight Paths Publishing

At long last, an accessible little book that focuses on the teachings of Rumi's teacher and inspiration, Shams of Tabriz. Included in this slim, charming volume is a biographical sketch of the great Sufi teacher and mystic and a new translation of 500 of his core teachings that bring into fresh focus the meaning and mysteries of life and love. There are many books on Rumi and many translations of his works and yet most readers are unaware of how Rumi became a mystic. Shams, an Arabic word that means the sun, was the catalyst that converted the rather resolute and ascetic Rumi, the cleric and teacher, into Rumi, the passionate disciple of the religion of love. He was the agent of the propulsive mystical energy that transformed Rumi the reticent into Rumi the ecstatic poet. Rumi lovers, spiritual seekers, and devotees of the mystical path will meet this little book of wisdom and mystical secrets with enthusiasm. I shall not place you in my heart For you may get hurt by its wounds. I won't keep you in my eyes For I may belittle you and expose you to the ridicule of common men. I will hide you inside my soul, not in my heart or in my eyes, so that you may become one with my breath.

Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as

The Illuminated Rumi Hampton Roads Publishing

This is the most accessible work in English on the greatest mystical poet of Islam, providing a survey of the basic Sufi and Islamic doctrines concerning God and the world, the role of man in the cosmos, the need for religion, man's ultimate becoming, the states and stations of the mystical ascent to God, and the means whereby literature employs symbols to express "unseen" realities. William Chittick translates into English for the first time certain aspects of Rumi's work. He selects and rearranges Rumi's poetry and prose in order to leave aside unnecessary complications characteristic of other English translations and to present Rumi's ideas in an orderly fashion, yet in his own words. Thorough, nontechnical introductions to each chapter, and selections that gradually present a greater variety of terms and images, make this work easily accessible to those interested in the spirituality of any tradition.

The Gift of Rumi Tughra Books

An authentic exploration of the real Rumi. As one of the world's most loved poets, Rumi's poems are celebrated for their message of love and their beauty, but too often they are stripped of their mystical and spiritual meanings. *The Gift of Rumi* offers a new reading of Rumi, contextualizing his work against the

broader backdrop of Islamic mysticism and adding a richness and authenticity that is lacking in many Westernized conceptions of his work. Author Emily Jane O'Dell has studied Sufism both academically, in her work and research at Harvard, Columbia, and the American University of Beirut, and in practice, learning from a Mevlevi master and his whirling dervishes in Istanbul. She weaves this expertise throughout *The Gift of Rumi*, sharing a new vision of Rumi's classic work. At the heart of Rumi's mystical poetry is the "religion of love" which transcends all religions. Through his majestic verses of ecstasy and longing, Rumi invites us into the religion of the heart and guides us to our own loving inner essence. *The Gift of Rumi* gives us a key to experiencing this profound and powerful invitation, allowing readers to meet the master in a new way.

Fihe Ma Fihi (In It is, what is in It) provides a record of seventy-one talks and lectures given by Rumi on various occasions to his disciples. This book is one of the first Persian prose books after the so-called Persian literature revolution. Moreover, the book has become an introduction to the *Masnavi*. Also, many concepts in Sufism are described in this book in simple terms. The teaching is based upon verses of the

Holy Quran or the teachings of our Prophet Muhammad (PBUH). I selected 21 teachings from the book and provided a simple Farsi explanation of each. You may read the original text with the help of phonetical signs, then read the modern Farsi explanation of it. Later there is the English translation. After each teaching, you find a blank page, where you may write down your observations. What you have experienced in life, or how this teaching may help you in the future. Even to write the main idea or interesting sentences for yourself. As no word can change to knowledge, before passing through yourself.
