Teachings of Gordon B. Hinckley Covenant Communications

"Alma is an idolatrous man--until an angel's rebuke leads him to repentance and two decades of righteous service in realms both political and religious. But Alma's past haunts him. He abdicates political power in order to focus more fully on his ministry. When war against Nephite dissenters shatters the community, he laments."
-- publisher

Christ and the New Covenant The Church of Jesus Christ of Latter-day Saints Each chapter in this book includes four sections: (1) an opening quotation that briefly introduces the focus of the chapter; (2) "From the Life of John Taylor," which illustrates the messages of the chapter with a story or counsel from President Taylor; (3) "Teachings of John Taylor," which presents important doctrines from his many messages and sermons; and (4) "Suggestions for Study and Discussion," which encourages personal review and inquiry, further discussion, and application to our lives today through questions.

Book of Mormon Student Manual David Van Leeuwen Teachings of Presidents of the Church: Ezra Taft Benson The Church of Jesus Christ of Latter-day Saints The Savior's Teachings in the Book of Mormon Can Add Peace and Harmony to Your Home The Church of Jesus Christ of Latter-day Saints

Introducing a major new doctrinal work written by Elder Jeffrey R. Holland who shares his apostolic witness of the central figure of the Book of Mormon--the Lord Jesus Christ. For most of a decade, Elder Holland has read the Book of Mormon repeatedly and thoroughly, focusing on all references to the Savior and his teachings. The result is an intelligent observation and thorough study of the Book of

Mormon's contribution to our understanding of Christ. On the illustrated edition: Elder Holland's classic examination of Jesus Christ as the "principal and commanding figure" in the Book of Mormon is now available as an illustrated keepsake. This landmark book explores what the Book of Mormon reveals about the character, attributes, and mission of our Savior. In his warm and thoughtful style, Elder Holland explains why, more than any other book, the Book of Mormon "has taught me to love the Lord Jesus Christ and to consider the full wonder and grandeur, the eternally resonating power of the atoning sacrifice he made for us." Stunning full-color illustrations by Walter Rane, Robert Barrett, Simon Dewey, Joseph Brickey, and others bring vibrant new life to this beloved volume. **Third Nephi** Simon and Schuster Using unique personal experiences, quotes from trusted Church leaders, and compelling stories that touch hearts and enlighten minds, Jack Christianson and K. Douglas Bassett have created a guidebook to life that will leave a lasting impression. Learn amazing insights about the gospel from the real-life experiences of these two LDS scholars and teachers.

Mormon Doctrine Covenant Communications

Mark Twain once derided the Book of Mormon as "chloroform in print." Long and complicated, written in the language of the King James version of the Bible, it boggles the minds of many. Yet it is unquestionably one of the most influential books ever written. With over 140 million copies in print, it is a central text of one of the largest and fastest-growing faiths in the world. And, Grant Hardy shows, it's far from the coma-inducing doorstep caricatured by Twain. In *Understanding the Book of Mormon*, Hardy offers the first comprehensive analysis of the work's narrative structure in its 180 year history. Unlike virtually all other recent world scriptures, the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal expositions, moral injunctions, or devotional hymns. Hardy takes readers through its characters, events, and ideas, as he explores the story and its

messages. He identifies the book's literary techniques, such as characterization, embedded documents, allusions, and parallel narratives. Whether Joseph Smith is regarded as author or translator, it's noteworthy that he never speaks in his own voice; rather, he mediates nearly everything through the narrators Nephi, Mormon, and Moroni. Hardy shows how each has a distinctive voice, and all are woven into an integral whole. As with any scripture, the contending views of the Book of Mormon can seem irreconcilable. For believers, it is an actual historical document, transmitted from ancient America. For nonbelievers, it is the work of a nineteenth-century farmer from upstate New York. Hardy transcends this intractable conflict by offering a literary approach, one appropriate to both history and fiction. Regardless of whether readers are interested in American history, literature, comparative religion, or even salvation, he writes, the book can best be read if we examine the text on its own terms.

For the Strength of Youth Shadow Mountain

Mormons, or members of the Church of Jesus Christ of Latter-day Saints, form a growing population in both numbers and influence. Yet few people have more than a passing knowledge of the document that defines and drives this important movement--the Book of Mormon. A former Mormon and an adult convert to Christianity, author Ross Anderson provides a clear summary of the Book of Mormon including its history, teachings, and unique features. Stories from the author and other ex-Mormons illustrate the use of Mormon scripture in the Latter-day Saint church. Anderson gives special attention to how the Book of Mormon relates to Christian beliefs about God, Jesus, and the Bible. With discussion questions to facilitate group use and a focus on providing an accurate portrayal of Mormons beliefs, *Understanding the Book of Mormon* is an

indispensable guide for anyone wishing to become more familiar with the Church of Jesus Christ of Latter-day Saints and its most formative scripture.

Isaiah Bookcraft Pubs

Available for the first time fifty years after the author's death, *Studies of the Book of Mormon* presents this respected church leader's investigation into Mormonism's founding scripture.

Reflecting his talent for combining history and theology, B. H. Roberts considered the evident parallels between the Book of Mormon and Ethan Smith's *View of the Hebrews*, a book that predated the Mormon scripture by seven years. If the Book of Mormon is not historical, but rather a reflection of the misconceptions current in Joseph Smith's day regarding Indian origins, then its theological claims are suspect as well, Roberts asserted. In this and other research, it was Roberts's proclivity to go wherever the evidence took him, in this case anticipating and defending against potential future problems. Yet the manuscript was so poorly received by fellow church leaders that it was left to Roberts alone to decide whether he had overlooked some important piece of the puzzle or whether the Mormon scripture's claims were, in fact, illegitimate. Clearly for most of his colleagues, institutional priorities overshadowed epistemological integrity. But Roberts's pathbreaking work has been judged by the editor to be methodologically sound—still relevant today. It shows the work of a keen mind, and illustrates why Roberts was one of the most influential Mormon thinkers of his day. The manuscript is accompanied by a preface and introduction, a history of the documents' provenances, a biographical essay, correspondence to and from Roberts relating to the manuscript, a bibliography, and an afterword—all of which put the information into perspective.

Teachings of the Book of Mormon

Brigham Young University Press

The author thoughtfully proves the infinite scope of the "great and last sacrifice," describing its power and breadth and explaining how Christ's atonement redeems all mankind. This edition is filled with stunning, full-color illustrations by James C. Christensen, Simon Dewey, Greg Olsen, Walter Rane, and many other artists.

This book is a collection of more than 175 visual aids that promote deeper understanding and appreciation of the Book of Mormon. Designed for multiple use as study guides, handouts, and masters for creating projectable images, the charts convey a wealth of information that will enrich personal study and teaching. Arranged in 15 sections, these charts consist of tables, diagrams, chronologies, flowcharts, bar graphs, pie charts, maps, and other effective schematics that represent Book of Mormon data in new and thought-provoking ways. General topics range from the history, doctrine, structure, and chronology of the Book of Mormon to its literary, cultural, and geographical features. Many charts highlight evidences for the authenticity of the record. Each chart is explained in a manner that will facilitate personal study and guide a teacher in what might be said when displaying the chart for group instruction or discussion.

"This Is My Doctrine": The Development of Mormon Theology
Bookcraft, Incorporated

An inside look at the foundational sacred text of one of the world's youngest and fastest growing religions. The Book of Mormon stands alongside the Bible as the keystone of The Church of Jesus Christ of Latter-day Saints (LDS Church/Mormonism). Translated by the prophet Joseph Smith from ancient writings inscribed on golden plates, the Book of Mormon is an account of people living in the Western Hemisphere in a timeline that parallels that of the Bible. It covers a thousand years of loss, discovery, war, peace, and spiritual principles that focus on the teachings of Jesus Christ, outlining a plan for salvation and the responsibilities we must assume to attain it. *The Book of Mormon: Selections Annotated & Explained* explores this sacred epic that is cherished by more than twelve million members of the LDS church as the keystone of their faith. Probing the principal themes and historical foundation of this controversial and provocative narrative, Jana Riess focuses on

key selections that offer insight into contemporary Mormon beliefs and scriptural emphases, such as the atonement of Christ, the nature of human freedom, the purpose of baptism, and the need for repentance from sin. She clarifies the religious, political, and historical events that take place in the ancient communities of the Book of Mormon and their underlying contemporary teachings that serve as the framework for spiritual practices that lie at the core of Mormon life. Now you can experience this foundational sacred text even if you have no previous knowledge of Mormonism. This *SkyLight Illuminations* edition presents the key teachings and essential concepts of the Mormon faith tradition with insightful yet unobtrusive commentary that helps to dispel many of the misconceptions that have surrounded the Book of Mormon since its publication in 1830.

The Book of Mormon Brigham Young University Press

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your understanding of the restored gospel of Jesus Christ. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. The volumes in this series are designed to be used for personal study and for Sunday instruction. They can also help you prepare other lessons or talks and answer questions about Church doctrine. This book features the teachings of President Ezra Taft Benson, who served as President of The Church of Jesus Christ of Latter-day Saints from November 10, 1985, to May 30, 1994.

Understanding the Book of Mormon

Book of Mormon Student Manual
The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as

members of The Church of Jesus Christ of Latter-day Saints we possess the “ doctrine of life and salvation for all the honest-in-heart (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “ within them a desire to know and understand the things of God more than they ever did before in their lives ” and will begin to “ inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness ” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections— “ Teachings of Brigham Young ” and “ Suggestions for Study. ” The first section consists of extracts from Brigham Young ’ s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young ’ s teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions

that will encourage thoughtful contemplation, personal application, and discussion of President Young ’ s teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the “ Lion of the Lord ” (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young. Teachings of Presidents of the Church: John Taylor Shadow Mountain Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a “ soul-stirring celebration of the pleasures of knowing God. ” The Holy Scriptures The Church of Jesus Christ of Latter-day Saints OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness. Encyclopedia of Mormonism Shadow Mountain From the #1 New York Times bestselling author of It Ends With Us comes the beginning of Sky and Dean ’ s passionate love story – where well-kept secrets threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust – and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that

rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she ’ s tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. Hopeless is a novel that will leave you breathless, entranced, and remembering your own first love. Teaching with the Book of Mormon Zondervan Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “ cold case ” : it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers ’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. Teaching for Doctrines the Commandments of Men Foundation for Ancient Research & The mortal Christ transcended the law of Moses, keeping the letter of the law while teaching the sanctifying effect of the spirit of the law. The latter blessing was impossible to achieve in the framework of the Pharisees, who had smothered the pure law of Moses in the outwardly focused traditions of

men, which either distracted from or completely contradicted the law of Moses, blinding generations to the true meaning of the gospel and, consequently, from achieving a fullness of its fruits. Joseph Smith taught that "to become a joint heir of the heirship of the Son, one must put away all his false traditions." (TPJS, p 321.) Modern Mormonism represents the result of over 150 years of traditions developed since the dispensation of the gospel of Jesus Christ to Joseph Smith. This book provides a concise study of the most predominant of these traditions, the commandments they distract from, and the scriptures they contradict. The purpose of this book is to bring men "to the knowledge of the truth, and to know of the wicked and abominable traditions of their fathers" so that they "are led to believe the holy scriptures, yea, the prophecies of the holy prophets, which are written, which leadeth them to faith on the Lord, and unto repentance, which faith and repentance bringeth a change of heart unto them." (Helaman 15:7.)
