Creating an effective team charter | Process Excellence ...

Team Charters are documents that define the purpose of the team, how it will work, and

what the expected outcomes are. They are "roadmaps" that the team and its sponsors create at the beginning of the journey to make sure that all involved are clear about where they're heading, and to give direction when times get tough.

Team Charter Document  
A team charter is a written document that defines the team's mission, scope of

---

operation, objectives, time frame, and consequences.

Charters can be developed by top management and presented to teams, or teams can create their own charters and present them to top management.

[Project charter template, sample and examples | Casual.PM ...](#)

The purpose of a Team Charter is to develop a structure to assign accountability and responsibilities for team members and to empower the team through senior stakeholder(s) approval and commitment. A Charter should address the following: Team purpose, description, and objectives ; Team deliverables ; Team membership, roles, and responsibilities
