There are many concepts that qualify as "positive team attributes", but not every team works in the same way or

values the same things - so there's no universal guide that every team can follow to find success. With a Team Charter, you build a shared understanding of how your unique teammates will best work together - by outlining the essential elements of your team's communication and defining a set of concepts and skills that will focus and guide you.

Team Charter : Who? What? and How to Create Template ...

The team charter is a living document. It should reflect changing priorities and goals within the team. As new information comes into the team,

new members get added or requirements of the project shift, elements of the charter may also change. Just make sure you are not changing the team charter every day.

Definitive Guide to Creating a Team Charter | Smartsheet

A Team Charter is the official document from the team sponsor that empowers the team to act. It is a written document describing the mission of the team and how this mission is to be accomplished. The

Team Charter is one of the most under-used and under-valued tools available to sponsors, team leaders, and facilitators for helping a team succeed.

...

A team charter is a written document created to provide the true “North Star” for a team or project. It spells out the team’s mission, scope of operation, objectives, consequences, and, if applicable, time frame. The true defining feature of a team charter is that it must be created and supported by

every member of the team.
