Agile Team Charter Overview - Project Management Docs
A charter is a formal document that is like a road map for what an organization, team or project is intended to be and accomplish. It includes who ’ s involved, what the goals are, who has the authority and over what and whom and if there is a life cycle to the group or project when it is complete.
Team Charter - DAU Home
A team charter template is a type of document created in a group setting which clarifies the direction of the team while setting boundaries. The development of a team charter example occurs during the initial stages of team development. It's important to develop this document as a group in order to promote understanding and encourage buy-in.

What Is a Charter Document? | Bizfluent
Sample Team Charter. Purpose Statement and Team Objectives. This team has been formed to complete XYZ assignment as part of Course # # # . Our overall objectives are to master the course material related to this project and to demonstrate that mastery through our final report and presentation. We are also committed to working effectively as a team, by monitoring our process effectiveness, following through on commitments and helping one another to learn.
Using a Team Charter | Project Management Tips from Dana ...

There are many concepts that qualify as "positive team attributes", but not every team works in the same way or values the same things - so there's no universal guide that every team can follow to find success. With a Team Charter, you build a shared understanding of how your unique teammates will best work together - by outlining the essential elements of your team's communication and defining a set of concepts and skills that will focus and guide you.
ProjectManagement.com - Team Charter
For the purposes of this Agile Team Charter Template, we will incorporate sections for both the high-level project specific information and the interpersonal team dynamics into one document. It is also important that the Team Charter be readily available or prominently posted in a team room so all team members have immediate access to it.

Creating an effective team charter | Process Excellence ...
A team charter is a written document created to provide the true “ North Star ” for a team or project. It spells out the team ’ s mission, scope of operation, objectives, consequences, and, if applicable, time frame. The true defining feature of a team charter is that is must be created and supported by every member of the team.
Team Charters: What are they? — Life Cycle Engineering
A Team Charter is the official document from the team sponsor that empowers the team to act. It is a written document describing the mission of the team and how this mission is to be accomplished. The Team Charter is one of the most under-used and under-valued tools available to sponsors, team leaders, and facilitators for helping a team succeed.
Team Charter - Defense Acquisition University
