Sylvia is shocked and confused when she is asked to be one of the first black students to attend Central High School, which is scheduled to be integrated in the fall of 1957, whether people like it or not. Before Sylvia makes her final decision, smoldering racial tension in the town ignites into flame. When the smoke clears, she sees clearly that nothing is going to stop the change from coming. It is up to her generation to make it happen, in as many different ways as there are colors in the world.

A renowned expert in Chinese sports medicine and martial arts reveals ancient Eastern secrets for healing common injuries, including sprains, bruises, deep cuts, and much more. For centuries, Chinese martial arts masters have kept their highly prized remedies as carefully guarded secrets, calling such precious and powerful knowledge "a tooth from the

tiger's mouth." Now, for the first time, these deeply effective methods are revealed to Westerners who want alternative ways to treat the acute and chronic injuries experienced by any active person. While many books outline the popular teachings of traditional Chinese medicine, only this one offers step-by-step instructions for treating injuries. Expert practitioner and martial artist Tom Bisio explains the complete range of healing strategies and provides a Chinese first-aid kit to help the reader fully recover from every mishap: cuts, sprains, breaks, dislocations, bruises, muscle tears, tendonitis, and much more. He teaches readers how to: Examine and diagnose injuries Prepare and apply herbal formulas Assemble a portable kit for emergencies Fully recuperate with strengthening exercises and healing dietary advice Comprehensive and easy to follow, with drawings to illustrate both the treatment strategies and the strengthening exercises, this unique guidebook will give readers complete access to the powerful healing secrets of

the great Chinese warriors.

A young girl who loves Double Dutch is caught in the crossfire of the secrets she, her best friend, and the school bullies are keeping in this emotional middle grade novel. Delia loves Double Dutch more than just about anything, and she's really good at it—so good she and her teammates have a shot at winning the World Double Dutch Championships. Delia would die if she couldn't jump—but she's hiding something could keep her off the team next year.

Delia's friend Randy has a secret too, one that has him lonely and scared. And while Delia and Randy struggle to hide parts of themselves, their school is abuzz with rumors about what malicious mischief the terrible Tolliver twins—who just may have a

hidden agenda of their own—are planning. Delia and Randy's secrets collide on what should be the happiest day of Delia's life, and the collision threatens to destroy their friendship. Why can't life be as easy for Delia as Double Dutch?

Winner of the Man Booker Prize Penelope Lively won Britain's prestigious Booker Prize for this deeply moving, elegantly structured novel. Elderly, uncompromising Claudia Hampton lies in a London hospital bed with memories of life fluttering through her fading

consciousness. An author of popular history, Claudia proclaims she's carrying out her last project: a history of the world. This history turns out to be a mosaic of her life, her own story tangled with those of her brother, her lover and father of her daughter, and the center of her life, Tom, her one great love found and lost in war-torn Egypt. Always the independent woman, often with contentious relationships, Claudia's personal history is complex and fascinating. As people visit Claudia, they shake and twist the mosaic, changing speed, movement, and voice, to reveal themselves and Claudia's impact on their world.

The flame of love burns bright in the second book of Sharon M. Draper 's award-winning Hazelwood High trilogy. When Gerald was a child he was fascinated by fire. But fire is dangerous and powerful, and tragedy strikes. His

substance-addicted mother is taken from him. Then he loses the loving generosity of a favorite aunt, and a brutal stepfather with a flaming temper and an evil secret makes his life miserable. The one bright light in Gerald's life is his little half sister, Angel, whom he struggles to protect from her father, who is abusing her. Somehow Gerald manages to find success as a member of the Hazelwood Tigers basketball team, and Angel develops her talents as a dancer, despite the trouble that still haunts them. And Gerald learns, painfully, that young friends can die and old enemies must be faced. In the end he must stand up to his stepfather alone in a blazing confrontation. In this second book of the Hazelwood High trilogy, Sharon M. Draper has woven characters and events from *Tears of a Tiger* in an unflinchingly realistic portrayal of poverty and child abuse. It is an inspiring story of a young

man who rises above the tragic circumstances of his life by drawing on the love and strength of family and friends.

The bestselling author of *Battle Hymn of the Tiger Mother*, Yale Law School Professor Amy Chua offers a bold new prescription for reversing our foreign policy failures and overcoming our destructive political tribalism at home. Humans are tribal. We need to belong to groups. In many parts of the world, the group identities that matter most — the ones that people will kill and die for — are ethnic, religious, sectarian, or clan-based. But because America tends to see the world in terms of nation-states engaged in

great ideological battles — Capitalism vs. Communism, Democracy vs. Authoritarianism, the “ Free World ” vs. the “ Axis of Evil ” — we are often spectacularly blind to the power of tribal politics. Time and again this blindness has undermined American foreign policy. In the Vietnam War, viewing the conflict through Cold War blinders, we never saw that most of Vietnam ’ s “ capitalists ” were members of the hated Chinese minority. Every pro-free-market move we made helped turn the Vietnamese people against us. In Iraq, we were stunningly dismissive of the hatred between that country ’ s Sunnis and Shias. If we want to get our foreign policy right — so as to not be perpetually caught off guard and fighting unwinnable wars — the United States has to come to grips with political tribalism abroad. Just as Washington ’ s foreign policy establishment has been blind to the power of tribal politics outside the country, so too have American political elites been oblivious to the group identities that matter most to ordinary Americans —

and that are tearing the United States apart. As the stunning rise of Donald Trump laid bare, identity politics have seized both the American left and right in an especially dangerous, racially inflected way. In America today, every group feels threatened: whites and blacks, Latinos and Asians, men and women, liberals and conservatives, and so on. There is a pervasive sense of collective persecution and discrimination. On the left, this has given rise to increasingly radical and exclusionary rhetoric of privilege and cultural appropriation. On the right, it has fueled a disturbing rise in xenophobia and white nationalism. In characteristically persuasive style, Amy Chua argues that America must rediscover a national identity that transcends our political tribes. Enough false slogans of unity, which are just another form of divisiveness. It is time for a more difficult unity that acknowledges the reality of group differences and fights the deep inequities that divide us.

Sixteen-year-old Jericho is awaiting initiation to the Warriors of Distinction, the oldest and most exclusive club in school—but how high a price will he have to pay to belong? Find out in this first novel in Sharon M. Draper's Jericho Trilogy. When Jericho is invited to pledge for the

Warriors of Distinction, he thinks his life can't get any better. As the most exclusive club in school, the Warriors give the best parties, go out with the hottest girls, and great grades are a given. When Arielle, one of the finest girls in his class, starts coming on to him once the pledge announcements are made, Jericho is determined to do anything to become a member... But as the initiation week becomes progressively harrowing, Jericho is forced to make choices he's not entirely comfortable with. And one member seems to have it in for the sole female pledge in the group...a pledge who will stop at nothing to show she can handle the pressure. But when is she being pushed too far, and when should Jericho and his friends step in and risk losing their places in the pledging process? As Jericho becomes increasingly uneasy, his cousin Joshua breezes through the initiation, never thinking of the

consequences, even when the fine line between fun and thunderstorms, through the terror of unexpected and games, and life and death is crossed.

Sensitivity is not always simply having a stressful response in the mind, body or

emotions to situations you encounter. Many sensitives are reading the energy around them by feeling it in their body. This activates a stress response because it disrupts their own senses—creating doubt and distrust for the signals from their inner guidance. Energy sensitives, also known as empath's, often navigate life not understanding this. In *Tame Your Energy Sensitivity*, a tiger teaches sensitive people that you can reclaim trust in your senses when you understand your true nature. Many empath's have heard the whispers of their inner guidance but don't know how to translate it or what to do with the information. The messages from their body have long been disregarded, and they've often experienced intuitive hints as something “wrong” with them. Relearning trust for an

empath means understanding that a knot in the stomach or anxiety for “no reason” is in fact an empathic sensitivity trying to get their attention. Whatever the reason, know this: An empath's inner-peace depends on only reading people with permission. *Tame Your Energy Sensitivity*, holds the secrets to self-care for sensitive people; how-to set healthy boundaries and be a happy, health empath.
