ATI TEAS Crash Course® Book + Online Test Prep Books

Miller Test Prep's study guide for the ATI TEAS 6 exam is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the TEAS 6 first time.

In the last half-century, researchers and psychologists have upended a lot of conventional wisdom about the way we learn and how we can get the most out of studying. Their discoveries have suggested a number of ways that students can study smarter, not harder. Unfortunately, most of these new methods have not made their way into our public school systems, leaving millions of students with devastatingly ineffective study habits. The Spire Study System® aims to change that. Using cutting-edge science and advanced information design, we have created a study system rather than a study guide. Just follow the simple directions in this book, and rest easy in the knowledge that you will pass your test. We're so confident that Spire will work for you, we guarantee that you'll pass your test -- or we'll give you your money back. No more cramming. No more wasted studying time. No more guessing at answers and hoping for good luck.

The TEAS ATI Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the TEAS ATI Exam! After nearly 20 years of teaching we discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. We called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today!

"How to Pass Nursing School" is a comprehensive book that covers all of the important aspects of nursing school. Unlike other books on this topic, this book will tell you all about nursing school--from A to Z! Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling to pass. Some students even become discouraged to the point of questioning whether or not they should quit or pursue a different degree. This guide was written to give students tips to pass, and to tell them exactly what to expect when attending nursing school. The author, S.L. Page, BSN, RN, currently works as a cardiac nurse, and graduated from nursing school with honors. She passed the NCLEX test on her first try, and later went on to start a popular website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect in nursing school from beginning to end, covering all of the things students can expect to face, and sharing all the tips, tricks, and resources she used along the way. Whether you're a current nursing student looking for ways to boost your performance, a high school student interested in preparing for nursing school, an adult looking to return for a nursing degree, or a recent graduate looking for tips to transition into your first job--this book can equip you with the tools and resources to help you succeed. Aside from this nursing school guide, you'll also receive a bundle of professionally designed resume and cover letter templates for submitting resumes after graduation, a printable weekly planner template to help you stay organized, and a printable flashcard template for making flashcards. All templates are in .doc or .docx format, and must be downloaded separately following instructions in the book itself. All of these resources are included with your purchase of "How to Pass Nursing School." These resources alone are worth the purchase price, but you'll get them free as a special gift when you purchase this book. It doesn't matter whether you know nothing about nursing school, or whether you're already in nursing school--this book has something for everyone. To see all of the topics covered in this book, use the "Look Inside" feature on Amazon. Here's just a sample of some of the topics covered: How to prepare for nursing school Tips for international students and returning adults Different types of nurses and degrees (LPN, RN, etc.) Sample curriculum and classes Paying for nursing school (scholarships, financial aid, etc.) Saving money on textbooks Information on care plans, clinicals, and nursing skills Nursing entrance, mid-curricular, and exit exams Studying and test-taking strategies NCLEX Nursing career information Common nursing specialties Preparing for interviews Preparing resumes and cover letters (you'll receive cover letter and resume templates) Tips to get a job and advance in your career and more Who will benefit most from this book? "How to Pass Nursing School" will best benefit the following readers: Adults or international student interested in returning to nursing school, or becoming a nurse in the U.S.(this guide will tell you what to expect) High school students planning to enter nursing school (you'll learn what to expect and how to prepare) For current nursing students, this guide will offer study tips, NCLEX tips, how to save money on books, scholarship resources, and more. If you're about to graduate nursing school (or a recent graduate)--you'll benefit from the professionally designed resume templates and cover letters, and advice on finding jobs and performing well in interviews.
