Grade 9 for CAPS Learner's Book
Evan Moor Educational Publishers
Mysticism is one of the most enduring and fascinating aspects of religious life, and one of the most difficult to unpick. It has, over the centuries, inspired many of the leading figures in different faiths to seek a sense of union with God or with the spiritual forces in the universe, and

is increasingly part of the spiritual mainstream. Designed for students grappling with this complicated area, this book enables readers to understand the nature of mysticism, and to examine in detail the traditional methods used by mystics in seeking an intimate understanding of the spiritual world. Including a detailed survey of mystical

trends within all childhood
the main world religions, and
case studies of the lives of
important mystics,
Mysticism: A Guide for the
Perplexed also examines the
nature of the mystical
lifestyle, and the extent to
which ordinary people can
develop a sense of personal
mysticism.
