Today ' s employees are tasked with writing documents such as emails, memos, letters, and informal

reports, as well as more complex forms of communications such as formal reports, proposals, web pages, and presentations. Technical Communication by John M. Lannon and Laura J ... Laura J. Gurak is professor and founding chair of the Department of Writing Studies at the University of Minnesota, where she teaches courses in technical writing and digital communication. She holds an M.S. in technical communication and a Ph.D. in communication and rhetoric from Rensselaer Polytechnic Institute. 9780134118499: Technical Communication (14th Edition ... The main point in this chapter is that all professional writing is done for specific readers in specific situations,

to communicate information that readers will use. The writer's primary purpose is not to express personal feelings or opinions—or simply to transmit factual information; instead, the writer's purpose is to shape that information for the particular uses of a specific audience.
