and papers. She is a recipient of the Society for Technical Communication's Outstanding Article award. Gurak has authored and coauthored five textbooks in technical communication published by Pearson. Technical Communication Lannon Gurak 13 The main point in this chapter is that all professional writing is done for specific readers in specific situations, to communicate information that readers will use. The writer's primary purpose is

not to express personal feelings or opinions—or simply to transmit factual information; instead, the writer's purpose is to shape that information for the particular uses of a specific audience. Pearson - Technical Communication - Intro Laura J. Gurak. Dr. Laura Gurak is Chair and Professor of the Department of Writing Studies at the University of Minnesota, where she teaches courses in digital literacies, professional and technical communication, and communication research. She received an
