define the “techniques” in the volume’s

title as the methods or actions teachers carry out in the classroom, and the “principles” as the thoughts (beliefs, attitudes, values, and awareness) of teachers that guide those actions. The techniques and principles must be connected and coherent for a language teacher to be successful.

Techniques And Principles In Language

The actions are the techniques and the thoughts are the principles in the title of this book: Techniques and Principles in Language Teaching. A second goal is to help you uncover the thoughts that guide your own actions as a teacher.
