Technology Engineering Books.

Technology books give everyone
from engineering students to
Einstein admirers and smartphone
users something to sink their teeth
into. Whether you're after cold,

hard facts about the way things work, thoughtful analysis of the techie times we live in, or light-hearted looks at our inability to synchronize seamlessly with our personal electronics, Technology books will fill you in.

Higher National Engineering 2nd Edition is a new edition of this extremely successful course book, covering the compulsory core units of the 2003 BTEC Higher National Engineering schemes. Full coverage is given of the common core units for HNC/D (units 1 - 3) for all pathways, as well as the two different Engineering Principles units (unit 5) for mechanical and

electrical/electronic engineering, and the additional unit required at HND for these pathways (Engineering Design - unit 6).

Amazon Best Sellers: Best Children's Engineering Books IET books cover all the key areas of engineering and technology. We are a specialist publisher for the global engineering and technology community and offer a comprehensive selection of print and eBook titles across a range of disciplines. We provide researchers, professionals and students with new perspectives and developments in emerging subject areas, including healthcare technologies and cybersecurity, as well as forward-looking publications in traditional engineering topics and ...
