Tecumseh L-Head Engines John Schwaner

This series of comprehensive manuals gives the home mechanic an in-depth look at specific areas of auto repair.

Chilton's Truck Repair Manual Haynes Manuals N. America, Incorporated

John Schwaner of Sacramento Sky Ranch explains the piston aircraft engine with a practical day to day approach but directed towards the operator and repair personnel. Sky Ranch Engine Manual thoroughly covers the operation, inspection, and maintenance of the Lycoming and Continental piston aircraft engine, including a very comprehensive troubleshooting guide. This book goes beyond the basic theory of aircraft reciprocating engines but instead focuses on the practical aspects for mechanics and operators of why things go bad, how to repair them, and most important; how to keep them from failing in the first place.

Small Engine Manual, 5.5 HP through 20 HP

"Chest pain can be terrifying. Many people panic, or hope that if they ignore it, it will go away. But angina must be taken seriously - and in addition to taking medical advice, it's important to find out what you can do about it, and what you can do to help yourself reduce the risk of a heart attack." "This book answers key questions for anyone worried about angina: What is it, and why is it happening? Does it mean I'm going to have a heart attack? What should I do when I have chest pain? How do I tell if it's serious?" "Living with Angina is also packed with useful advice about what you can do to deal with high cholesterol or high blood pressure, develop a sensible exercise program, and make crucial lifestyle changes

that will help you live life to the full."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
