With this book, you can handle all of the maintenance needs of your four-stroke small engine, whatever the brand, and take on virtually any repair project. It guides you through each procedure in clear, concise steps, with more than 325 color photographs and illustrations.

Small Engine Care & Repair provides more than just detailed

instructions and glossy photos. It teaches you the principles of small engine operation, so you can broaden your knowledge, whether you're performing maintenance or repairs or just want to understand your equipment better. This book is a resource for beginners and seasoned home mechanics alike, with a wealth of information on specialty tools, safety and other issues affecting your small engine. This new, expanded edition has been revised to include an important

section on seasonal maintenance, and updated to include the latest engines, maintenance products, and tools.

Chilton's Guide to Small Engine Repair Up to 6 Hp

Information on operating, storing, and maintaining single-cylinder engines prefaces instructions for servicing engines produced by Briggs and Stratton, Tecumseh-Lauson, Lawn Boy, Clinton, Kohler, O and R, Onan, and Wisconsin Popular Science

The story of Emmett Till is a riveting, notorious murder case that gave birth to the modern-day

civil rights movement, a story that continues to generate enormous interest from the general public and the media at large. This is a dynamic and explosive story of courage, determination, and faith, which gave rise to several award-winning documentaries and honorable mentions in several major motion pictures and television miniseries, such as the miniseries King, based on the life of Dr. Martin Luther King Jr.; the motion picture Mississippi Burning; as well as For Us the Living: The Medger Evers Story, The Rosa Parks Story, and the theatrical release of

the film Ali, a story on the life of Muhammad Ali, just name a few.
