[8 to 18 HP Cast Iron Four Cycle Engines](#)

Since Tecumseh engines are no longer being produced (the company went bankrupt), I thought it prudent to obtain a book concerning the engine in my snow blower in case it needed repair. My snow blower was built in 2005 and there have been considerable changes to the engine, especially the carb since this book was published. If you want to get a general idea of the workings of your engine, however ...

Tecumseh Small Engine Repair Manual

Most small engines use a single spark plug, so if the spark plug fails, it stops the engine completely. Inspect engine spark plug for damage or corrosion and (if mildly corroded) spray with carburetor cleaner, and clean away deposits with a wire brush. If spark plug is too corroded,
