[- Xerox](#)

My current choices are the Phaser 850, Kodak 86x0, Fuji Pictography

3000/3500 and the Sony printers. I am not as familiar with the Sony line, but have seen and heard that it is a good printer. The Phaser would suit my budget better with its cost and consumables (free black).

The Tektronix Phaser 850 DP  
by Xerox is a professional  
quality high performance solid  
ink laser printer. Instead of  
using toner and fuser like  
most laser printers the 850DP  
uses solid nontoxic ink which  
comes in specially shaped  
cubes called "ColorStix".
