The long game appears to be selling off Tektronix piece by piece, with

Tektronix Communications being divested in 2015, and Tektronix Video going in 2019. After Danaher divested Tektronix to Fortive, new management was brought in to clean house.

Tektronix's innovative test solutions allow you to see aspects of your signals that were previously invisible, giving you the insight to increase the capabilities of your systems, shorten your design cycle and meet the challenges that you face.
