A world-renowned authority on the science of alcohol exposes its influence on our health, mood, sleep, emotions, and productivity -- and what we can and should do to moderate our intake. From after-work happy hour to a nightly glass of wine, we're used to thinking of alcohol as a normal part of our daily lives. In *Drink?*, neuropharmacology professor David Nutt takes a fascinating, science-based look at drinking to unpack why we should reconsider our favorite pastime. Using cutting-edge scientific research and years of hands-on experience in the field, Nutt delves into the long- and short-term effects of alcohol. He addresses topics such as hormones, mental health, fertility, and addiction, explaining how alcohol travels through our bodies and brains, what happens at each stage of inebriation, and how it effects us even after it leaves our systems. With accessible, easy-to-understand language, Nutt ensures that readers recognize why alcohol can have such a negative influence on our bodies and our society. In the vein of *This Naked Mind*, *Drink?* isn't preachy; it simply gives readers clear, evidence-based facts to help them make the most informed choices about their consumption.

The Wisdom of Oscar Wilde Mondial

This Handbook surveys the state of the art in literary authorship studies. Its 27 original contributions by eminent scholars offer a multi-layered account of authorship as a defining element of literature and culture. Covering a vast

chronological range, Part I considers the history of authorship from cuneiform writing to contemporary digital publishing; it discusses authorship in ancient Egypt, Greece, Rome, early Jewish cultures, medieval, Renaissance, modern, postmodern and Chinese literature. The second part focuses on the place of authorship in literary theory, and on challenges to theorizing literary authorship, such as gender and sexuality, postcolonial and indigenous contexts for writing. Finally, Part III investigates practical perspectives on the topic, with a focus on attribution, anonymity and pseudonymity, plagiarism and forgery, copyright and literary property, censorship, publishing and marketing and institutional contexts.

The Savoy Basic Books

*A Marriage Below Zero* is the first novel in English to explicitly explore the subject of male homosexuality. Written by a British é migré to America, the New York theater critic Alfred J. Cohen, under the pseudonym of "Alan Dale," this first-person narrative is told by a young Englishwoman, Elsie Bouverie, who gradually discovers that her new husband, Arthur Ravener, is romantically involved with another man. Denounced on publication ("a saturnalia in which the most monstrous forms of human vice exhibit themselves shamelessly," wrote one reviewer), the novel was published during the public exposure of a London homosexual brothel frequented by upper-class men and telegraph boys. *A Marriage Below Zero* reflected late-nineteenth-century fears and anxieties about homosexuality, women's position in marriage, and the threat that seemingly new, illicit forms of desire posed to marriageable women and to the Victorian family. This Broadview edition includes excerpts from the era's pro-homosexual tracts, scientific and legal documents, contemporary feminist commentary on the new "dandyism," and newspaper accounts of late-Victorian same-sex scandals. Highlights of the volume include

excerpts from Charles Dickens's 1836 account of his visit to Newgate Prison, where he witnessed the last two men in Britain executed for sodomy, George Bernard Shaw's 1889 unpublished letter attacking the social purity movement's legislation against homosexual men, and a never-before-reprinted 1898 article from Reynolds's Newspaper, "Sex Mania," that warned of an increasing number of homosexual men choosing to enter marriages as a cover for an illicit life.

*Teleny Or the Reverse of the Medal* e-artnow "Suburban Souls: The Erotic Psychology of a Man and a Maid" - book two of two. This is the highly pornographic story of Jacky S, a middle-aged stockbroker, his obsession with the teenage daughter of a friend, her reciprocation of his amours, and the many ways they please one another. "Suburban Souls" is an anonymous erotic novel, originally printed and published in Paris in one hundred and fifty copies in 1901 for distribution amongst private subscribers only. The book, which is considered a classic of the 20th century erotic fiction genre, was originally published by Charles Carrington, a leading British publisher of erotica in late-19th and early 20th century Europe, and possibly written by him also under the pseudonym of Jacky S.

*Suburban Souls* Michael Matthew Kaylor This carefully crafted ebook: "Teleny, or The Reverse of the Medal (A Gay Erotica Classic attributed to Oscar Wilde)" is formatted for your eReader with a functional and detailed table of contents.

*Teleny* is a pornographic novel, first published in London in 1893. The authorship of the work is unknown. There is a general consensus that it was an ensemble effort, but it has often been attributed to Oscar Wilde. Set in fin-de-siècle Paris, its concerns are the magnetic attraction and passionate though ultimately tragic affair between a young Frenchman named Camille de Grioux and the Hungarian pianist René Teleny. The novel is significant as one of the earliest pieces of English-language pornography to explicitly

and near-exclusively concern homosexuality; as well as for a lush and literate, though variable prose style - and a relative complexity and depth of character and plot development - that give it as much in common with the Aesthetic fiction of the period as with its typical pornography. Oscar Wilde (1854 - 1900) is a central figure in aesthetic writing. Wilde was a poet, fiction writer, essayist and editor. Oscar Wilde is often seen as a homosexual icon although as many men of his day he was also a husband and father. Wilde's life ended at odds with Victorian morals that surrounded him. He died in exile.

*Teleny* Graphic Arts Books

In *The Secret Life of Oscar Wilde*, Neil McKenna provides stunning new insight into the tumultuous sexual and psychological worlds of this brilliant and tormented figure. McKenna charts Wilde's astonishing odyssey through London's sexual underworld, and provides explosive new evidence of the political machinations behind Wilde's trials for sodomy. Dazzlingly written and meticulously researched, *The Secret Life of Oscar Wilde* offers a vividly original portrait of a troubled genius who chose to martyr himself for the cause of love between men.

**Teleny, Or, The Reverse of the Medal** University of Toronto Press

Did Oscar Wilde write *Teleny*? Certainly, this story has often been attributed to him, in whole or in part. It is a problem that has exercised bibliographers of curiosa since the first publication of the 1883 edition, limited to 200 copies. The lush prose of this classic of homosexual love has great similarities with that of *The Picture of Dorian Gray*. It recounts, in painfully graphic terms, the progress of the obsessive passion felt by Camille Des Grieux for Rene Teleny. The hot-house atmosphere of fin-de-siecle Paris is wonderfully evoked, & lends to this first great homosexual novel the claustrophobic atmosphere that characterized the love that dare not speak its name. A volume in the Wordsworth Classic Erotica series.

Eric Orner's groundbreaking comic strip, "The Mostly Unfabulous Social Life of Ethan Green", debuted in 1990 and appeared in papers in a hundred cities across the US, Canada and the UK. Now, for the first time, every subversive, laugh-out-loud funny, and occasionally surreal episode from the gay everyman's 15 years in print is in one deluxe collection. Includes behind-the-scenes stories from the author, bonus strips, and a foreword by New York Times bestselling author David Ebershoff. Released by Northwest Press, which has been publishing quality LGBT-inclusive comics and graphic novels since 2010.

Bloomsbury Publishing USA

This homoerotic novel unmasked the cynical double moral standards of the Victorian era: The love of Camille and Teleny is shattered by social reprisals. It was originally published in 1893 by Leonard Smithers who praised it as being "the most powerful and cleverly written erotic romance which has appeared in the English language." (Adult Fiction)

*Teleny, Or the Reverse of the Medal* Random House

The 1995 Booker Prize finalist. Alan Hollinghurst's hypnotic and exquisitely written novel tells the story of Edward Manners, a disaffected 33-year-old who leaves England to earn his living as a language tutor in a Flemish city. Almost immediately he falls in love with one of his pupils, but can only console himself with other, illicit affairs. With this novel, Hollinghurst exposes us fearlessly to the consequences of unfulfillable, annihilating desire.

Kate Pullinger Books

This paperback gift edition of the renowned poet and playwright's epigrams and witticisms features hundreds of quips from Wilde's personal letters and conversations as well as his fiction, essays, lectures, and plays.

**Weird Sister** Northwest Press

"From 1995 to 1998, David Kelly's 'Steven's comics' appeared in gay and alternative newspapers in the U.S., exploring the world of a sensitive boy coming of age in the seventies, with all its joys, quirks, and heartbreaks. This volume collects the entire series, as well as rare strips and illustrations and additional material created especially for this edition"--P. [4] of cover.

*Teleny, Or, The Reverse of the Medal* MIT Press

Now in English, Duvert's shocking novel about a sexual adventurer among a tribe of adolescent boys in Northern Africa. "I'd find it amusing if, in a few centuries, the only thing that our descendants condescend to retain of our artistic production, the only thing in which they'll see worlds to admire, to penetrate, the only thing that they'll show off as precious in immense museums after having flushed down the toilet all our acknowledged masterpieces, the only thing that will give them nostalgia and love for us will be our porn."—from *Diary of an Innocent Exiled* from the prestigious French literary circles that had adored him in the 1970s, novelist Tony Duvert's life ended in anonymity. In 2008, nineteen years after his last book was published, Duvert's lifeless body was discovered in the small village of Thoré-la-Rochette, where he had been living a life of total seclusion. Now for the first time, Duvert's most highly crafted novel is available in English. Poetic, brutally frank, and outright shocking, *Diary of an Innocent* recounts the risky experiences of a sexual adventurer among a tribe of adolescent boys in an imaginary setting that suggests North Africa. More reverie than narrative, Duvert's *Diary* presents a cascading series of portraits of the narrator's adolescent sexual partners and their culture, and ends with a fanciful yet rigorous construction of a reverse world in which marginal sexualities have become the norm. Written with gusto and infused with a luminous bitterness, this novel is more unsettling to readers today than it was to its first audience when published in French in 1976. In his openly declared war on society, Duvert presents a worldview that offers no easy moral code and no false narrative solution of redemption. And yet no reader will remain untouched by the book's dazzling language, stinging wit, devotion to matters of the heart, and terse condemnation of today's society.

Shortlisted for the Polari Book Prize for LGBTQ+ Fiction *Teleny, Or, The Reverse of the Medal*

*The Sins of the Cities of the Plain* (1881) is an erotic novel attributed to Irish prostitute Jack Saul. Published by William Lazenby, a

---

prominent printer of Victorian erotica, *The Sins of the Cities of the Plain* is considered to be one of the first works of literature dedicated to homosexuality in the English language. “‘Saul, Jack Saul, sir, of Lisle Street, Leicester Square, and ready for a lark with a free gentleman at any time. What was it made you take a fancy to me? Did you observe any particularly interesting points about your humble servant?’ as he slyly looked down towards the prominent part I have previously mentioned.” Having met by chance at Leicester Square, Jack Saul, a successful prostitute—colloquially known as a “Mary-Ann” or “rentboy”—agrees to accompany Mr. Cambon to his home at the Cornwall Mansions. After sharing a meal, the two men get down to business, exploring their young bodies and devoting themselves to pleasure. Curious about Jack’s past, Cambon offers him money to share the story of his life. With a beautifully designed cover and professionally typeset manuscript, this edition of Jack Saul’s *The Sins of the Cities of the Plain* is a classic work of Victorian erotic fiction reimagined for modern readers.
