As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with

solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable

circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the

broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media.

Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter!

Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for

peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would

be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards
