What Tell Me Who I Am on Netflix doesn't tell you  
As someone who lives in England I'm here to tell you if "minding your business" was an Olympic sport, the UK would win every year. People don't even like to look at each other on the subway here. So for a teenager to take the subway at home by himself in the late 70's and no one be concerned or question anything is totally believable to me, someone who currently lives in London.

Tell Me Who I Am is a 2019 documentary film directed and produced by the British filmmaker Ed Perkins. It focuses on twin brothers Alex and Marcus Lewis. Alex lost his memory in a motorcycle accident at age 18 and his twin brother helped him recreate his lost memories of his childhood. However, Marcus omits that the twins were sexually abused by their mother and also sexually abused by friends of hers in a paedophile network until the age of 14.
