Sidney Sheldon's The Tides of Memory HarperCollins UK

Following the success of the New York Times bestseller Sidney Sheldon's *Mistress of the Game*, this sweeping tale of love and betrayal, vengeance and redemption, will leave you racing to its shocking, triumphant end. What happens when a woman who has everything loses everything? And when a woman who has nothing realizes she has nothing to lose? Blessed with the face of an angel and the guileless, trusting nature of a child, Grace Brookstein is the prized wife of the king of Wall Street, Lenny Brookstein. A billionaire many times over, with estates around the world, a fleet

of yachts, and a life that is the stuff of fantasies, the revered financial wizard made his fortune tending the nest eggs of ordinary people—the elderly, blue-collar workers, small charities, and working families struggling to make a better life for themselves and their children. The embodiment of America itself—ambitious, hardworking, generous, and warmhearted—Lenny is a fixture of the business pages and the society columns, where he and Grace are celebrated for their philanthropic contributions and their lavish annual fund-raising ball. Despite the stock market's terrifying collapse, the Brooksteins' glamorous lifestyle of Palm Beach polo tournaments and G5 jets remains untouched—until the day Lenny goes sailing from their Nantucket beach estate and never comes home. When his abandoned yacht is found far out at sea, Grace is devastated. Lenny was her world. She has no idea that his disappearance is just the beginning

---

of a dark, terrifying nightmare of murder, lies, greed, and betrayal that will shatter her life and destroy everything she has ever known. . . . Before she can begin to grieve, the shocking news breaks that the \$75 billion invested in Quorum, Lenny's hedge fund, is gone—and everyone believes that Grace has stolen the money. Overnight, the delicate beauty who was once the toast of moneyed society has become a reviled modern-day Marie Antoinette, alone and power-less to stop her infamous fall. Grace is certain someone is framing her, and she'll do whatever it takes to prove it, even if it means taking the law into her own hands. Surrounded by enemies, with no one to turn to, Grace must learn to rely on herself—a bold, dangerous journey that will transform her in ways she never thought possible and lead her to a startling new life. Filled with the passion, glamour, twists, and driving suspense that made Sidney Sheldon a bestselling legend, Sidney Sheldon's *After the Darkness* is an entertaining thrill ride that continues the grand tradition set by the master himself.

“ Assured, compelling, and hypnotically readable—with a twist at the end I guarantee you won 't see coming ” (New York Times bestselling author Lee Child), T. M. Logan 's debut psychological thriller dissects a troubled marriage straight to the marrow as one man separates the truth from the Lies... Six days ago, Joe Lynch was a happily married man, a devoted father, and a respected teacher living in a well-to-do London suburb. But that was before he spotted his wife 's car entering a hotel parking

garage. Before he saw her in a heated argument with her best friend 's husband. Before Joe confronted the other man in an altercation where he left him for dead, bleeding and unconscious. Now, Joe 's life is unraveling. His wife has lied to him. Her deception has put their entire family in jeopardy. The man she met at the hotel has vanished. And as the police investigate his disappearance, suspicion falls on Joe. Unable to trust the woman he loves, Joe finds himself at the mercy of her revelations and deceits, unsure of who or what to believe. All he knows is that her actions have brought someone dangerous into their lives—someone obsessed with her and determined to tear Joe 's world apart. What if your whole life was based on LIES?

"Astonishing"—The New York Times Book Review A brilliantly funny, highly illustrated story about how a little ink splot changes a family forever. Perfect for those who love Hoot, Holes, or Frindle! The Ryland family is stuck. Dad's got writer's block. Ethan promised to illustrate a group project at school—even though he can't draw. Sarah's still pining for a puppy. And they all miss Mom. Enter Inkling. Inkling begins life in Mr. Ryland's sketchbook. But one night the ink of his drawings runs together—and then leaps off

the page! This small burst of creativity is about to change everything. Ethan finds him first. Inkling has absorbed a couple chapters of his math book—not good—and the story he's supposed to be illustrating for school—also not good. But Inkling's also started drawing the pictures to go with the story—which is amazing! It's just the help Ethan was looking for! Inkling helps the rest of the family too—for Sarah he's a puppy. And for Dad he's a spark of ideas for a new graphic novel. It's exactly what they all want. It's not until Inkling goes missing that this family has to face the larger questions of what they—and Inkling—truly need. • A New York Times Notable Book • A New York Public Library Best Book of the Year -- top ten selection • "A true-to-life family, some can't-put-it-down excitement, a few deep questions, and more than a little bit of magic. This book is everything, and I loved every page." —Rebecca Stead, Newbery Medalist for When You Reach Me
