Deeks' half-human mermaid princess fights the evil sea witch and juggles boyfriends in this

continuation of the Tempest series. In this first sequel, Tempest misses her family and longs to visit her home on land. She worries that her selkie-prince boyfriend, Kona, won't be allowed to marry her.

Tempest Unleashed stands head, shoulders and tail above the debut book in the Tempest series;

Tempest Rising. This is no implication that her first book is not an enjoyable read - which it is - but rather, that Ms. Deeks

really seems to have hit her stride with the second novel.

mermaid queen is
rigorous, she finds
refuge in the arms of
Kona, the selkie who
first opened her up to
her mermaid side. But
when word comes that
one of her brothers
