A Paranormal Shapeshifter Werejaguar Romance  
HarperCollins Australia  
Three women form an unbreakable bond in a sexy, suspenseful, and adventurous novel about empowerment and sisterhood through thick and thin. Venus McGee, Draya Carter, and Jackie Benson are coworkers with a lot in common. They're smart, independent, driven, and deserving of recognition--certainly more than they've been handed by a demoralizing boss. He's the

topic of conversation at their impromptu get-together after the company holiday party, where the threesome fantasizes about a life without him. There has to be an alternative to taking a deep breath and sucking it up. There is. It's just not the one they expected. When morning comes, Venus, Draya, and Jackie are blindsided by murder--a twist of fate that brings a startling new challenge to the table and forces them to navigate a hair-raising detour they never saw coming. For better and (unless they can help it) for worse, it's going to turn their world upside down. What starts as a necessary bond of mutual trust soon morphs into an empowering and galvanizing friendship that Venus, Draya, and Jackie need now more than ever.

Sabrina was good at her job, but this talented sculptor and his erotic works of art left her reeling. Staying focused was hard when her body ached to taste all Renny had to offer. But after one searing kiss, she was guarding more than his body. Now her heart was at risk....
