what I told myself when I landed in Denver and waited in baggage claim for him after a red

Ten Below Zero was my first book to read by Whitney Barbetti and I loved every single word from

beginning to end. It's been awhile since I've cried that much reading a book but it's these books that stand out

more than the 100's I've read. How can you not fall in love with Parker and Everett. I enjoyed them so much,

I didn't want it to end.

2014 Rating: 5 stars Cliffhanger: No HEA: (view spoiler)] To be perfectly honest, I was a little

apprehensive going into this book. I knew that (judging by the synopsis) the potential was
