Books by Whitney Barbetti (Author of Ten Below Zero)

Ten Below Zero was my first book to read by Whitney Barbetti and I loved every single word from beginning to end. It's been awhile since I've cried that much reading a book but it's these books that stand out more than the 100's I've read. How can you not fall in love with Parker and Everett. I enjoyed them so much, I didn't want it to end.
