Cliffhanger:No HEA: (view

spoiler)] To be perfectly

honest, I was a little

apprehensive going into this

book. I knew that (judging by

the synopsis) the potential was

there for going through an

emotional battle and I wasn't

sure if I would win the war.

Ten Below Zero: Barbetti, Whitney: Amazon.sg: Books

This is my first Whitney Barbetti novel and it certainly won't be my last! I picked this up solely because I was attending the Four Brits Book Fest in June 2016 and Whitney was an attending author, who I gladly had the pleasure of meeting and getting my copy of Ten Below Zero signed!

Ten Below Zero bonus epilogue — Whitney Barbetti

10 months later. It was
probably a dumb idea. I
knew that. But it was worth
trying. Or, that’s what I told
myself when I landed in
Denver and waited in
baggage claim for him after
a red eye flight from
California. I looked around,
looked at the people mulling
around, waiting for baggage
and hugging their loved
ones. I ached a little bit.

Ten Below Zero Whitney Barbetti

Ten Below Zero was my first
book to read by Whitney
Barbetti and I loved every
single word from beginning to
end. It's been awhile since I've
cried that much reading a
book but it's these books that
stand out more than the 100's
I've read. How can you not fall
in love with Parker and
Everett. I enjoyed them so
much, I didn't want it to end.
