Though some teens still use it, they prefer to use a variety of apps to connect, curate, and capture their lives in different ways. And though household names such as Instagram , Snapchat , and Twitter have proven their staying power, teens love to try out new apps they hear about from friends, ads, or even what's trending in the app store.

The Anki Cozmo is our top choice for a tech toy for a 10-year-old girl. The small robot is capable of learning faces, and they'll squeal with delight when it says her name for the first time. The robot has two built-in games to keep a child of any age entertained, both involving the use of included power cubes that Cozmo interacts with.
