#1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, a New York Times Readers' Choice Best Book of the Century, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of A Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles' s writing—especially because The Lincoln Highway is so different from A Gentleman in Moscow in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero' s journeys, including The Iliad, The Odyssey, Hamlet, Huckleberry Finn, and Of Mice and Men. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." — Bill Gates *10 Rules to Break & 10 Rules to Make* Blue Mountain Arts, Inc.

"A wholesome, slow-burn romance that will warm your heart...This is a Hallmark movie in book form." - USA Today bestselling author Helen Hoang What happens when your love life becomes the talk of the town? As birthdays go, this year's for radio producer Everly Dean hit rock-bottom. Worse than the "tonsillectomy birthday." Worse than the birthday her parents decided to split (the first time). But catching your boyfriend cheating on you with his assistant? Even clichés sting. But this is Everly's year! She won't let her anxiety hold her back. She'll pitch her podcast idea to her boss. There's just one problem. Her boss, Chris, is very cute. (Of course). Also, he's extremely distant (which means he hates her, right? Or is that the anxiety talking)? And, Stacey the DJ didn't mute the mic during Everly's rant about Simon the Snake (syn: Cheating Ex). That's three problems. Suddenly, people are lining up to date her, Bachelorette-style, fans are voting (Reminder: never leave house again), and her interest in Chris might be a two-way street. It's a lot for a woman who could gold medal in people-avoidance. She's going to have to fake it 'till she makes it to get through all of this. Perhaps she'll make a list: The Ten Rules for Faking It. Because sometimes making the rules can find you happiness when you least expect it. "Once you start reading, you won't be able to put it down." - Lyssa Kay Adams, author of The Bromance Book Club

Praise for The 10 Rules Of Sam Walton "The 10 Rules of Sam Walton is one of those books that should be read and regularly reread by . . . everyone-business-people, students, teachers, parents, and children. It transcends the limits of a traditional book about lessons in business and makes it a book about life and about successful living!"—J. K. Knapp III, former Wal-Mart store manager,current manufacturer and supplier to Wal-Mart As founder of Wal-Mart and its many successful divisions, Sam Walton reinvented the retailing industry through his singularity of focus, high expectations, and never-say-die attitude. During his successful career, Sam Walton developed a list of what he considered the most important rules for entrepreneurial success. As far as he was concerned, there were ten key result areas that he considered pivotal to his own success. Now, in The 10 Rules of Sam Walton, author and former Wal-Mart employee Michael Bergdahl reveals these rules-and the stories behind them-to help you achieve success in both your professional and personal lives. Straightforward and to the point, this book offers valuable lessons that Walton himself followed, and taught, throughout his lifetime—from Rule #1: "Be passionately committed to achieving success" to Rule # 10: "Be different and challenge the status quo." Whether you're an entrepreneur or an hourly paid employee, The 10 Rules of Sam Walton will provide you with a blueprint for success that has proven itself time and again.

The Warrior's Book of Virtues Feiwel & Friends

A Stoic Guide to the Art of Living a Richer, More Meaningful Life Plato, Aristotle, Socrates, Epictetus, Epicurus, Pythagorus, Aesop—such wisdom, now at your fingertips. Timeless wisdom from these ancient Greek philosophers plus others has been condensed by the authors into ten memorable and easy-to-understand rules that, if lived by, can enable modern readers to have rich, meaningful lives. The ten rules . . . represent enduring features of the Greek wisdom. In a very real sense, they defy time and place and represent insights that remain profoundly relevant for contemporary culture. They can serve as anti-dotes for an age in which much that is true and valuable has been obscured by falsity and misconception. Accordingly, these ancient aphorisms are offered to all those interested in rubbing the dust from their eyes. With each chapter examining a rule, all chapters begin with a quote from one of the great Greek philosophers who inspired the rule, followed by a story or explanation of the rule and its importance in life, and end with teaching points on which to meditate and reflect. From this simple starting point, each rule allows the reader to unfurl and explore the richness and depth that can be found in life by embracing the lesson offered. Any reader searching for meaning will return to this simple, slim volume again and again to find tried-and-true wisdom that spans the ages to speak to us today.

Learn the rules of life to conquer any challenge, manage unpredictable ups and downs, and become a satisfied and well-adjusted person. We all know the feeling: In the game of life, why am I the only one who doesn't know how to play? But now, help is at hand, because this wonderful little book will teach you the rules so that you can conquer life's challenges and manage its unpredictable ups and downs. For one of her workshops several years ago, Ch é rie Carter-Scott, a corporate trainer and consultant, composed a list of basic truths about life, which she named "The Ten Rules for Being Human." Right away, the Rules resonated with her clients, who photocopied and passed the list to friends and relatives. Within months, Ch é rie's Rules were in thousands of homes all over the country, and eventually, they were published in *Chicken Soup for the Soul* and have also appeared in Ann Landers' column. Although there's no formula to help you win the game of life, Ch é rie's Rules convey a universal wisdom that, once understood and embraced, can contribute to meaningful relationships with ourselves and others, at work and in the home. In *If Life Is a Game, These Are the Rules*, Ch é rie shares that there are no mistakes in life, only lessons that are repeated. In thoughtful, inspirational essays illustrated with encouraging personal anecdotes, she includes the lessons that can be learned from each of the Rules and offers insights on self-esteem, respect, acceptance, forgiveness, ethics, compassion, humility, gratitude, and courage. Best of all, Ch é rie shows that wisdom lies inside each one of us and that by putting the Ten Rules for Being Human into action we can create a more fulfilling life.

programme for playing big from the inside out: this book is the result. Many women are aware of the changes they need to make to be more successful, but they don't know how to become that more confident woman they'd like to be. Playing Big provides real, practical to

[Karen's Witch \(Baby-Sitters Little Sister #1\)](#) Wiley + ORM

An extraordinary 9-step program that will give you the keys to perfect balance in every aspect of your life. In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end — featuring the objects of your desires — sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we 're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts.

[Ten Rules for Living with My Sister](#) Harper Collins

What do the Ten Commandments do for you? Do they send you on a guilt trip? Are they a mirror of your frailties? Or do they hold life-changing love? The miracle of the Commandments is that even after thousands of years, they still hold everything we need to live in relationship with God and with one another. This book about the Commandments tells the story of spiritual transformation, shows how God wants us to love better, and helps us see how we can. These forty short chapters are shards of real, gritty life. Readers will see themselves. They will see how pride, insecurity, grudges, and coveting damage relationships. This Bible study addresses one commandment each week and then follows up with four devotions that tackle the topic from different angles. Each reading takes a "what does this mean" approach by asking open-ended questions and providing targeted Bible readings. For individual and group study. Book jacket.

[The Lincoln Highway](#) Penguin

Nine-year-old Pearl and her popular, thirteen-year-old sister, Lexie, do not get along very well, but when their grandfather moves in and the girls have to share a room, they must find common ground.

[Ex-etiquette for Parents](#) Harvard Business Press

Written for both biological parents and stepparents, this helpful guide provides the tools necessary to raising well-adjusted children after a stressful divorce.

Innovative in its technique and cowritten by a certified divorce and stepfamily expert and her own stepchildren's mother, this etiquette book provides an authentic guide for ex-spouses to interact on a civil and healthy level. Sample conversation for everyday scenarios help exes create a positive environment and ensure the mental and physical well-being of the children. Whether it's coordinating discipline between households, introducing a new partner, dealing with late child support payments, or providing a regular schedule for children, this guide empowers parents to change what they can—their attitudes and communication skills. In doing so, divorced parents can increase their self-esteem and personal growth and emerge confident that they can handle awkward situations and powerful emotions while keeping the children's best interests a priority.

[12 Rules for Life](#) St. Martin's Griffin

Live Your Best Life Ancient, time-tested wisdom: Okinawa, Japan is a tiny, tiny island south of the Japanese mainland where people live their life 's purpose every day. How is it possible for so many to live each day in such meaningful ways? The Okinawan concept of Ikigai. How to Ikigai describes the lifestyle choices that have led to an island full of fulfilled, long-living people. Magical reality come to life: Examples of ikigai in action are often magical. Take David Michiels. David stuttered severely well into his adulthood. In clinical terms, his stutter was difficult to treat. But David started to work in a liquor store. Before long, his focus turned to one specific section of the sales floor: the scotch section. As he spent more of his days learning about scotch, he began to share his knowledge with customers. Eventually, David noticed that his stutter vanished when he talked to anyone about scotch. Over time, David 's passion led to a new life. Today, he is a renowned whiskey expert, traveling the world tasting and purchasing whiskey on behalf of his employer. He feels his life is meaningful because of ikigai. A humble look at happiness: Bringing together an exploration of joy not unlike that of The Book of Joy by the Dalai Lama and Archbishop Desmond Tutu, a look inward reminiscent of The Untethered Soul by Michael A. Singer, and deep truths like those explored by Singer in The Surrender Experiment, How to Ikigai describes the concept of Ikigai with clarity and meaning. How to Ikigai explains a simple but abstract map for living a meaningful life. After reading this book, you will understand how to implement Ikigai 's four directions in your own life:

- Do what you love
- Do what you 're good at
- Do what the world needs
- Do what you can be rewarded for

[The Ten Golden Rules](#) Macmillan

A life of wholeness and purpose are well within our reach--The Art of Abundance outlines ten rules, or practices, that lay the foundation for a life worth living.

Whether we're striving for a new job, a higher salary, or a stronger relationship, Dennis Merritt Jones explains in The Art of Abundance that we all essentially want the same things: freedom, inner peace, and a life filled with purpose and meaning. He shows that a life of wholeness and peaceful satisfaction is readily available to us--we just need the eyes to see it and the faith to claim it. The problem is that most people don't know where to look for such a life. This book will help readers open their eyes to the limitless abundance that lies waiting just beyond their current belief system. In The Art of Abundance, Jones identifies ten rules, or practices that, when followed faithfully, lay the foundation for a life worth living. In order to make each rule as easy to apply as possible, Jones lays out the premise, the problem, the principle, the practice, and the payoff of each. These practices assist readers in creating a greater flow of goodness into their lives--in ways they may have never considered.
