100 Things We've Lost to the Internet St. Martin's Griffin
The fourth and final book in the Magic in Manhattan series, following the bewitchingly funny novels *Bras & Broomsticks*, *Frogs & French Kisses* and *Spells & Sleeping Bags!* Perfect hair, cute clothes, healthy tans—life's a breeze when you're a witch! Even special witchcraft classes Rachel agrees to

attend with Miri turn out to be fun. The sisters meet other teen witches just like them—who knew? Everyone's preparing for a magical party called a Samsorta—a debutante ball for witches. And it wouldn't be a ball without warlocks. Cute ones. Like Adam, who wants to slow dance with Rachel, and ski with her in the Rockies—on a school night! Of course, Rachel is madly in love with her boyfriend, Raf. So why can't she bring herself to tell Adam—funny, charming Adam—that Raf exists? Rachel knows Raf likes her. Maybe even, gulp, loves her. But Raf doesn't know her secret. Unlike Adam, Raf doesn't know who

she really is. And she can never tell him. Or can she? "Just as funny and appealing as the first three. . . . Clever." —Booklist
"Satisfying . . . a fun, light read."

Headstrong Johanna Berglund, a linguistics student at the University of Minnesota, has

very definite plans for her future . . . plans that do not include returning to her hometown and the secrets and heartaches she left behind there. But the US Army wants her to work as a translator at a nearby camp for German POWs. Johanna arrives to find the once-sleepy town exploding with hostility. Most patriotic citizens want nothing to do with German soldiers laboring in their fields, and they're not afraid to criticize those who work at the camp as well. When Johanna describes the trouble to her friend Peter Ito, a language instructor at a school for military intelligence officers, he encourages her to give the town that rejected her a second chance. As Johanna interacts with the men of the camp and censors their letters home, she begins to see the prisoners in a more sympathetic light. But advocating for better treatment makes her enemies in the community, especially when charismatic German spokesman Stefan Werner begins to show interest in Johanna and her work. The longer Johanna wages her home-front battle, the more the lines between compassion and treason become blurred--and it's no longer clear whom she can trust.

For years, the Chicago Tribune's "10 Things You Might Not Know" column has been informing and entertaining readers on a diverse range of fascinating subjects. 10 Things You Might Not Know About Nearly Everything is a collection of the best of these columns, presented in a fun and easy-to-read format. This book gives readers well-researched, obscure facts on universal topics—including arts and culture, food and leisure, history, politics, science and technology, sports, holidays and religion, lifestyle, language, and more. 10 Things You Might Not Know About Nearly Everything contains a plethora of surprising trivia and pertinent tidbits on so many different areas that will appeal to everyone from history buffs to sports fans to foodies, with an especially riveting look into Chicago-area history and facts. For example, in Zion, Illinois it was once not only illegal to gamble, curse, and sell alcohol and tobacco, but

also to whistle on Sundays, put on plays, eat pork or oysters, spit, or wear tan-colored shoes. Some facts will make readers laugh and some will make jaws drop. This collection is a kaleidoscope of the absurd, the outrageous, and the sometimes-gruesome, making a highly entertaining mix of people, places, and things. 10 Things You Might Not Know About Nearly Everything will leave readers brighter, wittier, and curious to learn more about myriad worlds they never encountered before and will never forget.

Praised by New York Times bestselling author Lauren Myracle as “ hilarious, moving and flat-out fun, ” and Kirkus as a “ pitch-perfect rendering...of the teen experience, ” Ten Things We Did (and Probably Shouldn't Have) has captured the hearts of critics and readers alike. Fans of Sarah Dessen, E. Lockhart, and Maureen Johnson will love this hilarious and heartwarming tale of a girl on her own for the first time. If given the opportunity, what sixteen-year-old wouldn ' t jump at the chance to move in with a friend and live parent-free? Although maybe “ opportunity ” isn ' t the right word, since April had to tell her dad a tiny little untruth to make it happen (see #1: “ Lied to Our Parents ”). But she and her housemate Vi are totally responsible and able to take care of themselves. How they ended up

“ Skipping School ” (#3), “ Buying a Hot Tub ” (#4), and, um, “ Harboring a Fugitive ” (#7) is a mystery to them. To get through the year, April will have to juggle a love triangle, learn to do her own laundry, and accept that her carefully constructed world just might be falling apart . . . one thing-she-shouldn ' t-have-done at a time.

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as “ the definitive account of how a tech icon came to life. ” Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the

first and largest bets on the Internet and forever changed the way we shop and read.

Ten Things We Did (and Probably Shouldn't Have) HarperCollins UK

The acclaimed editor of The New York Times Book Review takes readers on a nostalgic tour of the pre-Internet age, offering powerful insights into both the profound and the seemingly trivial things we've lost. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND THE DALLAS MORNING NEWS • “ A deft blend of nostalgia, humor and devastating insights. ” —People Remember all those ingrained habits, cherished ideas, beloved objects, and stubborn preferences from the pre-Internet age? They ’ re gone. To some of those things we can say good riddance. But many we miss terribly. Whatever our emotional response to this departed realm, we are faced with the fact that nearly every aspect of modern life now takes place in filtered, isolated corners of cyberspace—a space that has slowly subsumed our physical habitats, replacing or transforming the office, our local library, a favorite bar, the movie theater, and the coffee shop where people met one another ’ s gaze from across the room. Even as we ’ ve gained the ability to gather without leaving our house, many of the fundamentally human experiences that have sustained us have disappeared. In one hundred glimpses of that pre-Internet world, Pamela Paul, editor of The New York Times Book Review, presents a captivating record, enlivened with illustrations, of the world before cyberspace—from

voicemails to blind dates to punctuation to civility. There are the small losses: postcards, the blessings of an adolescence largely spared of documentation, the Rolodex, and the genuine surprises at high school reunions. But there are larger repercussions, too: weaker memories, the inability to entertain oneself, and the utter demolition of privacy. 100 Things We ’ ve Lost to the Internet is at once an evocative swan song for a disappearing era and, perhaps, a guide to reclaiming just a little bit more of the world IRL.

One of the most beloved and bestselling novels of spiritual adventure ever published, Ishmael has earned a passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. “ A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny. ” —The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual

adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind's place in it. In *Ishmael*, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity's origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn's spiritual *Ishmael* trilogy: *ISHMAEL • MY ISHMAEL • THE STORY OF B* Praise for *Ishmael* "As suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year." —The Austin Chronicle "Before we're halfway through this slim book... we're in [Daniel Quinn's] grip, we want *Ishmael* to teach us how to save the planet from ourselves. We want to change our lives." —The Washington Post "Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur's Prayer: 'Lord, a little more time!' *Ishmael* does its bit to answer that prayer and may just possibly have bought us all a little more time." —Los Angeles Times [10 Things You Might Not Know About Nearly Everything](#) *Ten Things We Did (and Probably*

But no amount of positive thinking changes the fact that Jeremy—the man of my dreams, the man I would marry, the man who should spend his whole life worshipping me and lavishing me with kisses—went to Thailand to find himself. Obviously I'm not as cute and witty as I thought I was, since while I've been sitting around every weekend, he's been sleeping with half of Thailand. And then he found Someone Else. That someone not being me. I have been pathetic. But now I will date. I will become the queen of dating. I will forget all about him. Single in Boston, that's me. But not for long...! Top Ten Hachette UK Perfect for fans of John Green's *Turtles All the Way Down* and Nina LaCour's *We Are Okay*, this is the poignant and uplifting story of Maeve, who is dealing with anxiety while falling in love with a girl who is not afraid of anything. Think positive. Don't worry; be happy. Keep calm and carry on. Maeve has heard it all before. She's been struggling with severe anxiety for a long time, and as much as she wishes it was something she could just talk herself out of, it's not. She constantly imagines the worst, composes obituaries in her head, and is always ready for things to fall apart. To add to her troubles, her mom—the only one who really gets what Maeve goes through—is

leaving for six months, so Maeve will be sent to live with her dad in Vancouver. Vancouver brings a slew of new worries, but Maeve finds brief moments of calm (as well as even more worries) with Salix, a local girl who doesn't seem to worry about anything. Between her dad's wavering sobriety, her very pregnant stepmom insisting on a home birth, and her bumbling courtship with Salix, this summer brings more catastrophes than even Maeve could have foreseen. Will she be able to navigate through all the chaos to be there for the people she loves? An ALA Rainbow Book List selection A Bank Street Best Book of the Year "With Maeve, Mac delivers a character who's heartwarming, real and sympathetic, and her story provides a much needed mirror for anxious queer girls everywhere."—Kirkus, Starred review "This is a good companion book for other anxiety-riddled stories, such as *The Shattering* by Karen Healey, and *Finding Audrey* by Sophie Kinsella."—Booklist "This hopeful offering will resonate with young people for their own lives, even if the journey is hard and takes time and patience...[a] compelling portrait of a teen's experiences with anxiety and challenging family dynamics."—SLJ "Mac carefully makes clear that Maeve is plenty able to find joy other places than the perfect girl and that she's working at dealing with her own problems; the romance is therefore lovely and cozy and free from overtones of dependency. The descriptions of anxiety are true and powerful, and romance buffs will likely revel in a book celebrating deep connection."—The Bulletin "Mac is good at showing how a

dread-filled mind works... [An] affecting story."—Publishers Weekly

Randa Abdel-Fattah's new novel about about finding your place in life . . . and learning to accept yourself and your culture. "At school I'm Aussie-blond Jamie -- one of the crowd. At home I'm Muslim Jamilah -- driven mad by my Stone Age dad. I should win an Oscar for my acting skills. But I can't keep it up for much longer..." Jamie just wants to fit in. She doesn't want to be seen as a stereotypical Muslim girl, so she does everything possible to hide that part of herself. Even if it means pushing her friends away because she's afraid to let them know her dad forbids her from hanging out with boys or that she secretly loves to play the darabuka (Arabic drums).
