Grand Admiral, Her Royal Highness Kris Longknife is up to her ears in problems . . . again. While summoned to the Imperial Iteeche Court to be humanity's Emissary, it turns out that what the Iteeche really want is a fighting admiral! You see, they've got this huge civil war going, and the Imperial side isn't doing so well. Kris now has command of the entire Imperial Combined Fleet. Sort of. The Iteeche Empire has a ten-thousand-year long history. There is nothing that won't say, "We've always done it that way," pointing to a track record lasting for thousands of years. Even when Kris reminds them they're losing, many have a hard time changing. Many Iteeche also wonder if letting a human win this war for them isn't losing everything already. Kris managed to win a defensive battle with a scratch force. Now she's thrown together a larger force and is ready to take the fight to the rebels. It's full speed ahead with Kris Longknife: Commanding.

Berserker Kris Longknife: Tenacious

Kris Longknife is a daughter of privilege, born to money and power. Her father is the Prime Minister of her home planet, her mother the consummate politician's wife. She's been raised only to be beautiful and to marry well. But the heritage of the military Longknifes courses through Kris's blood—and, against her parents' objections, she enlists in the marines. She has a lot to live up to and a lot to prove in the long-running struggle between her powerful family, a highly defensive—and offensive—Earth, and the hundreds of warring colonies. And then an ill-conceived attack brings the war close to home, putting Kris's life on the line. Now she has only one choice: certain death on the front lines of rim space—or mutiny...

Ron the Iteeche and his two young Iteeche Counselors have little to say on the subject except that some Iteeche think Kris is winning too much, too fast. What human combat commander has ever heard those words? Worse, when Kris returns to the capital, no one wants to sell her a ticket on the space elevator. Driving the streets is dangerous . . . not two roadside bombs but three detonate! Now she's got her embassy in sight and she can't get in! What kind of games are the clan lords playing? What threats are being hatched against the young Emperor? Even more pressing, how does Kris get back into her embassy and back to her kids?
