"The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." — Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “ to recognize the traces of God ’ s Spirit in events great and small. ” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore

irrelevant in the face of massive suffering.

In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Raising a Modern-Day Knight

Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress

as they struggle to discover who they are and what role they are to play today--in the family, the community, and the world. In this expanded edition of *Understanding the Purpose and Power of Women*, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and

sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

What does it mean to be a man? Moreover, how do you as a father instill that reality in your son? By *Raising a Modern-Day Knight*. The medieval custom of knighthood

offers a unique approach to shaping a boy into a strong, godly man. Centuries ago, select boys went through a rigorous, years-long process of clearly defined objectives, goals, and ceremonies—with the hope of achieving knighthood. Along the way, they acquired a boldly masculine vision, an uncompromising code of conduct, and a noble cause in which to invest their lives. They were the heroes of their age. In much the same way, *Raising a Modern-Day Knight* will show how you, too, can confidently guide your son to the kind of authentic, biblical manhood that can

change our world. Complete with ceremony ideas to celebrate accomplishments and ingrain them in the mind of a knight-in-training, this resource is as insightful as it is practical in raising a boy to be a chivalrous, godly man.

Did God condone genocide in the Old Testament? How do Christians harmonize the warrior God of Israel with the God of love incarnate in Jesus? Christians are often shocked to read that Yahweh, the God of the Israelites, commanded the total destruction--all men, women, and children--of the ethnic group known as the Canaanites. This seems to

contradict Jesus' command in the New Testament to love your enemies and do good to all people. How can Yahweh be the same God as the Father of our Lord Jesus Christ? What does genocide in the Bible have to do with the politics of the 21st century? Show Them No Mercy explores the Old Testament command of God to exterminate the Canaanite population and what that implies about continuity between the Old and New Testaments. The four views presented are: Strong Discontinuity – emphasizes the strong tension, regarding violence, between the two main texts of the Bible (C.S. Cowles) Moderate Discontinuity – provides a justification of God ' s actions in the Old Testament with strong emphasis on exegesis (Eugene H. Merrill) Eschatological Continuity – a reading of the warfare narratives that ties them contextually to the book of Revelation and the Second Coming (Daniel L. Gard) Spiritual Continuity – incorporates the genocidal account into the full picture of the Old and New Testaments (Tremper Longman III) The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion. Echoing His Heartbeat Tyndale House

Killing Sin is John Owen's Puritan classic Mortification of Sin updated for today. Owen tackles the age-old challenge for the Christian: how to put to death the power of sin over our lives. This is something that is impossible through man-centered self-help or self-denial. But with God all things are possible. Though we will never be completely free of sin while alive in this world, by putting our faith on Christ with an expectation of His help, the Holy Spirit will bring the His cross into our hearts with all its sin-killing power. Owen tells us why it is imperative for the Christian to be killing sin in his life, what it actually means to kill sin, why only a Christian can do it, why it is only possible through the power of the Holy Spirit, and

how we can avail ourselves of the power of the Spirit to kill sin through gospel faith in the death and resurrection of Christ. Owen's original Mortification of Sin was written in 17th century English that is extremely difficult to understand. This Killing Sin translates Owen into contemporary English that is easy to read without dumbing it down so people today can read this very important book on a most critical topic.

Who is God—the God Who reigns over every atom in His spectacular universe. Benjamin Beddome introduces us to our Sovereign by showing how His great works of creation and providence are related. David Martyn Lloyd-Jones defines providence by examining its three elements—preservation, government, and concurrence. Then, Arthur W. Pink explains the meaning of the Godhood of God and why it is crucial for Christians to understand it in opposition to the dignity, power, and attainments of man. But what is providence like and from what does it arise, properly understood? William S. Plumer tells us that God's providence is like God's nature—holy, just, benevolent, wise,

sovereign, stable, and irresistible! Pink then explains so beautifully that God rules everything—all inanimate matter, irrational creatures, human beings, and all angels, good and evil. How can such a lofty doctrine be practical to believers? Joel Beeke gives us sound answers from the infallible Scriptures and from the Puritans. To compliment those answers, Thomas Watson gives biblical instruction in the ways that our sovereign God works all things for good to His eternally loved people. There is one aspect of providence that especially thrills the heart of all believers: how God worked in His sovereign, powerful, and mysterious ways to bring them to saving faith in Christ and to everlasting life! John

Flavel reminds us of that astonishing work and the surprising mercies of God's grace! Lastly, Thomas Reade concludes our subject by filling our souls with a glorious vision of God's absolute reign by Christ Jesus in our hearts. Articles: Creation & Providence - Benjamin Beddome (1717-1795) - From a Baptist catechism, here is a beautiful and brief introduction to the doctrines of creation and providence and how these distinct works of God relate. Defining Providence - David Martyn Lloyd-Jones (1899-1981) - a survey and description of the three elements of providence: preservation, rule, and concurrence. The Godhood of God - Arthur W. Pink (1886-1952) - This expression has fallen out of use

among many modern Christians; so, what does it mean? Answer: The absolute rule of the living God over all things according to His eternal purpose. The Properties of Providence - William S. Plumer (1802-1880) - God's providential rule arises from God's glorious character: it is holy, just, benevolent, wise, sovereign, stable, and irresistible. God Rules Everything - Arthur W. Pink (1886-1952) - The one true and living Sovereign governs inanimate matter, irrational creatures, all human beings, and all angels—both good and evil. God's Providence Applied - Joel Beeke - God's absolute rule over all people, things, and events is the most practical of doctrines for daily life. God is in

control! Upon that supreme truth we may take comfort and encouragement every day. All Things Work for Good - Thomas Watson (1620-1686) - a helpful explanation of how every event in the believer's life is working for his or her eternal good and God's eternal glory. Providence & Conversion - John Flavel (1627-1691) - Little in the life of believers brings as much joy, comfort, strength, and worship as realizing all that God has done to save them in Jesus Christ. The Lord God Omnipotent - Thomas Shaw B. Reade (1776-1841) - To know God in Christ is to possess all the sources and secrets of true peace in the storms of life and the certainty of everlasting life in the world to come.

Retrieving and engaging a variety of biblical, theological, historical, and medical resources, Levering journeys through the various stages and challenges of the dying process, beginning with the fear of annihilation and continuing through repentance and gratitude, suffering and hope, before arriving

Grounded in careful readings of Scripture, the theological tradition, and contemporary culture, *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God, the One who alone can conquer death.

The Great War meets the horrors of forgotten folklore in this occult skirmish wargame. *1916: A World Transformed*. As the Great War raged, the Moon fell from its orbit. Seas shifted, uncovering new lands and

revealing what tide and time had concealed. Long known as a potent occult power, the Moon's descent also heralded the terrifying resurgence of magic. Long-forgotten gods and spirits began to stir in hidden groves and caverns and old traditions found new strength. Soon, stone circles echoed once more with the chanting of ancient rituals and menhirs were again bedecked with wildflowers and presented with offerings of honey and blood. 1918: A War Transformed. Rival nations battle on new fronts, seeking dominance with weapons of spell, song, and sacrifice. Thrust to the surface, Doggerland, the ancient bridge between Britain and Europe, becomes a crucial battleground in the conflict. In this

alien landscape, raiding parties pick through the ribs of wrecks and the ruins of lost villages, war machines festooned with totems and fetishes roll over the brittle bones of long-dead giants, and cavalry charge across plains made verdant by the vegetation returning to this new land with unnatural speed. A War Transformed is a skirmish wargame set in a world where World War I was utterly changed by forces far beyond human comprehension. Players command small forces of infantry, cavalry, artillery, and other... stranger... troops on the Doggerland Front. Fast-paced gameplay and a tense initiative bidding system are combined with authentic folk traditions and occult philosophies

of the era – it is a game of rifle and relic, of bayonet and belief, of machine gun and magic.
