Life's But a Game! Go

With the Flow! Who am I?

Where am I from? Why

am I here? Who is God?

Does God exist? Where

do I find God? What

happens when I die?

These are the questions being asked by today's teenagers and young adults. And more so now

than ever before! We are

living in troubled times, troubles not of our teenagers' making. We need to empower our young people with the truth about life, about God and about how this world of ours can be fixed, how the damage already done can be undone. As long-held institutions and beliefs tumble down around us, we need to explain to our young people that life is a game; a game of fun and not to be taken too seriously. We need to explain the rules of the game to our young people, the Spiritual Laws of the Universe, adherence to which promises a life of peace, fulfilment and abundance. Young people are our future, the future rulers of our Planet Earth. It is non-negotiable that

they be given the truth!

Truth is power!

Knowledge is power! This book provides the answers to the questions our young people are constantly asking. This book explains how life is meant to be enjoyed, not lived in a constant pursuit of getting, getting, getting; going, going, going; doing, doing, doing. We are all meant to just be. Armed with the truth and with Spiritual knowledge, our young people can go forth to fulfil their destiny; to return our world to being a world of love, sharing, peace and Oneness with All That Is.

Usui Reiki Level Three Manual Kaya Niranjana Kumar Reddy
Traces the ancient art of hands-on-healing from before the time of Christ to the present. The book

explains in simple language how the manifestation of healing transformations takes place by explaining how elemental healing rays emanating from the Creator are channeled through the healer. Healing techniques & concrete examples are given in self-healing, as well as facilitating healing for others, animals & Mother Earth. The chapter on symbols includes exercises on how to use them in healing. There are also chapters on how to use these same elemental rays in magic & Feng Shui (the Chinese art of altering life's circumstances by altering one's environment). Two of the companion videos, **HEALING HANDS & SYMBOLS IN HEALING** were released before the book & reviewed in the August 1994 issue of **BODY MIND SPIRIT** magazine. **HEALING ANIMALS** shows comparative anatomy & corresponding healing techniques. Five audio tapes guide the mediator through exercises discussed in the book. **REIKI & OTHER RAYS OF TOUCH HEALING** has been reviewed by several new age publications & is available through the following distributors: Baker & Taylor 1-800-233-3657, Bookpeople 1-800-684-0431, New Leaf 1-800-430-0501, Moving Books, Samuel Weisser 1-800-423-7087 & DeVorss & Co.

'Living The Magic' is a handbook for the soul, a manual for our spiritual journey here on Planet Earth. It explores our connection to each other, to all forms of life, to Spirit, to All That Is. We are all here for a reason, we all have lessons to learn, lessons we all need to learn in order to make our way back home, back to Source, where we all belong and to where each

and everyone of us will eventually return. We are all meant to live our lives in joy, to have fun, to spread love throughout the planet. This book explores the nature of life, and explains how we can find and live in the magic, that surrounds us in our everyday lives. It is a message of hope, a guide to living with joy and happiness, to raising our own spiritual consciousness and the spiritual consciousness of all mankind. The exercises and affirmations will help you to connect to Spirit, to ground and protect yourself spiritually and to tap into the vast reservoir of spiritual help that is constantly available to us. 'Living the Magic' is a valuable and significant contribution to living in

today's world, and a relevant additional to spiritual literature.

Usui Reiki Level One Manual Daniel J Benor

Zen Sand is a classic collection of verses aimed at aiding practitioners of kôan meditation to negotiate the difficult relationship between insight and language. As such it represents a major contribution to both Western Zen practice and English-language Zen scholarship. In Japan the traditional Rinzai Zen kôan curriculum includes the use of jakugo, or "capping phrases." Once a monk has successfully replied to a kôan, the Zen master orders the search for a classical verse to express the monk's insight into the kôan. Special collections of

these jakugo were compiled as handbooks to aid in that search. Until now, Zen students in the West, lacking this important resource, have been severely limited in carrying out this practice. Zen Sand combines and translates two standard jakugo handbooks and opens the way for incorporating this important tradition fully into Western Zen practice. For the scholar, Zen Sand provides a detailed description of the jakugo practice and its place in the overall kôan curriculum, as well as a brief history of the Zen phrase book. This volume also contributes to the understanding of East Asian culture in a broader sense.

Reiki is a technique for stress reduction which is also claimed to promote healing. It is said to create many beneficial effects including relaxation and feelings of peace, security and well-being. The technique is thought to have originated in Tibet, but was rediscovered by a Japanese Buddhist early in the 20th century. This revised edition includes the history of Reiki, and describes several successful approaches to integrate Reiki into patient care. Also included are pictures of the Usui memorial in Tokyo and of Mount Kurama where Reiki was discovered.
