Key stage 2 tests: 2019 mathematics test materials - GOV.UK

The format of the Year 6 SATs questions in the test papers also changed in 2016. All children will receive a raw score, which is the actual number of marks they achieved on their SATs papers. This raw score is then converted into a scaled score (the scaled scores range from 80 to 120), which determines whether each child has reached the national

average, and how well they have done on their SATs papers.
