Family Law Handbook SphinxLegal

You may be divorcing, divorced, never married, a grandparent, or other relative of a child growing up between two homes. For whatever reason you find yourself in the situation of helping a child grow up between two homes, it's normal to wonder how to do so now that you're no longer (or maybe never were) a single-home family. *Between Two Homes* has the answers. In this book, you'll learn how to remain or become coparents (instead of opponents) and how to help your child grow and thrive while living between two homes. *Between Two Homes* helps you:

- * Build

a successful coparenting relationship so you can stop fighting and start communicating* Recognize obstacles to the coparenting relationship* Take advantage of alternatives to litigation-you don't have to fight it out in court* Talk to your child about the changes using language he or she can understand* Learn the special needs of your child at various stages, from newborn to teenager* Create a coparenting plan* Learn what behaviors, and even what words, can help or hurt your childThis book is also a helpful resource for mental health professionals and family law professionals. Not only does it provide helpful tools to help families, but it is a valuable text to provide to your clients. "Bradley S. Craig brings practical advice to emotionally driven situations involving one of life's most precious gifts, children. *Between Two Homes* is a concise, informative, and well-written guide to help parents learn to effectively coparent. I enthusiastically recommend *Between Two Homes* and Bradley's philosophy on how to effectively coparent." - Lauren Gaydos Duffer, Attorney and President of The Law Office of Lauren Gaydos Duffer, PC"A great tool for helping families raise children between their two homes." - Jennifer Leister, LPC, Author of *Meet Max: Learning about Divorce from a Basset Hound's Perspective*"Brad is one of the

premier mental-health professionals dealing with corporate, freelance, administrative, families of divorce in the state of Texas. I, as well as the others Brad comes across, always learn something from him." - Patrick A. Savage, MA, LPC, FAPA, BCPC

This handbook covers ethics for paralegals. It includes topics such as defining ethics and ethical obligations and remaining ethical, and addresses ethical considerations for in-house, governmental, and regulatory law paralegals as well as paralegals working in the area of alternative dispute resolution. It also covers specific ethical considerations in 17 practice areas and provides resources for state information and paralegal association ethics cannons and related information.

The Family Code of the Philippines Annotated LexisNexis
Offers guidance in making the two-home approach successful

Battered Wives Harper Collins
Your ex-spouse is bad-mouthing you to your children, perhaps even trying to turn them against you. If you handle the situation ineffectively, you could lose your children's respect, their affection—even, in extreme cases, contact with them. Backed by twenty-five years of experience in helping families, Dr. Richard Warshak presents powerful strategies for dealing with everything from tainted parent-child relationships in which children are disrespectful or reluctant to show their affection to disturbances in which children virtually disown an entire side of the family. **Divorce Poison** offers advice on how to: Recognize early warning signs of trouble React if your children refuse to see you Respond to rude and hateful behavior Avoid the seven most common errors made by rejected parents This groundbreaking work gives parents powerful strategies to preserve and rebuild loving relationships with their children and provides legal and mental-health professionals with practical advice to help their clients and ensure the welfare of children.

BIFF for Co-Parents Government Printing Office
An examination of the child alienation problem from the perspective of a lawyer/therapist/mediator who trains professionals on managing high-conflict disputes.

The Military Divorce Handbook Cengage Learning
In divorce and co-parenting, not only do parents need to deal with their own emotions,

they may be faced with a daily barrage of hostile calls, texts, social media blasts, and/or emails. How can you regain a sense of control and peace for your own sake and for the kids? For more than a decade, the BIFF method of responding to hostile and misinforming emails, texts and conversations, has grown in use by thousands of people dealing with a person with a high conflict personality. This third book in the BIFF Communication series is especially devoted to parents dealing with issues in and after separation and divorce as they co-parent their children, complete with instructions in the four-step BIFF method and numerous examples for dealing with co-parent situations. When parents use this approach, not only do they feel good about their end of the written or verbal conversation, but it tends to influence the other parent to communicate more productively as well. While it's simple and practical, it's not natural for most of us because we are hooked by the emotional intensity. This book can help you reduce the conflict and regain your sanity by learning what to write and what not to write. Brief, Informative, Friendly and Firm. The BIFF is a communication game changer--it works!

Access to Justice Bna Books

Based upon interviews with judges, lawyers, and divorced persons in California, and data collected from that state's court dockets, this volume presents the first systematic examination of the social and economic effects of divorce law reform. Sociologist Weitzman concludes that while the abolition of grounds, fault, and consent has eliminated much of the acrimony previously associated with divorce proceedings, this, together with the institution of gender-neutral standards for property awards and child support, has resulted in increased economic hardship and social dislocation for divorced women and dependent children. Weitzman does not intend to extrapolate her data, conclusions, and recommendations to the whole country;

however, it is reasonable to believe that they have national implications. Merlin Whitemen, Dann Pecar Newman Talesnick & Kleiman, Indianapolis Copyright 1985 Reed Business Information, Inc.;amazon.com.

Nolo's Essential Guide to Child Custody and Support Nolo

While the formal definition of divorce may be concise and straightforward (legal termination of a marital union, dissolving bonds of matrimony between parties), the effects are anything but, particularly when children are involved. The Americans for Divorce Reform estimates that "40 or possibly even 50 percent of marriages will end in divorce if current trends continue." Outside the U.S., divorce rates have markedly increased across developed countries. Divorce and its effects are a significant social factor in our culture and others. It might be said that a whole "divorce industry" has been constructed, with divorce lawyers and mediators, family counselors, support groups, etc. As King Henry VIII's divorces showed, divorce has not always been easy or accepted. In some countries, divorce is not permitted and even in Europe, countries such as Spain, Italy, Portugal, and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century. This multi-disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology, social and legal history, developmental and clinical psychology, and religion, all through a lens of cultural sociology. Features: 550 signed entries, A-to-Z, fill 3 volumes (1,500 pages) in print and electronic formats, offering the most detailed reference work available on issues related to divorce, both in the U.S. and

globally. Cross-References and Further Readings guide readers to additional resources. A Chronology provides students with context via a historical perspective of divorce. In the electronic version, the comprehensive Index combines with Cross-References and thematic Reader's Guide themes to provide convenient search-and-browse capabilities. For state and nation entries, uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations. Appendices provide further annotated sources of data and statistics.

This book presents the latest data-based approaches to understanding and assessing relevant child, parent and family factors in child custody evaluation.

Texas Annotated Court Rules: State Courts 2021 Edition Guilford Press

A practice manual and guide for legal aid and private attorneys, advocates and individuals, to support the successful reintegration of those touched by the criminal justice system. Those in reentry face many hurdles and collateral consequences that, if addressed, greatly reduce recidivism and increase family stability. From driver's license restoration and sealing criminal records to navigating child support modification, this guide provides a thorough and user friendly resource for anyone in reentry. Included in the guide are resources, sample pleadings and instructions to support advocates and individuals pro se. This material was originally published by Texas Rio Grande Legal Aid in 2012. Beacon Law, a program of The Beacon of Downtown Houston, undertook continuing updates and publication of the materials in 2015 releasing the 2nd edition and the 3rd

Edition in 2017. This is public domain material and is freely available for download on www.texaslawhelp.org. This publication is intended to make the Guide available in hard copy for those who cannot access it online. All proceeds support the continuing updates by Beacon Law of the materials based on legislative changes on a biennial basis.
