## The Art and Science of Child Custody Evaluations

## Routledge

You may be divorcing, divorced, never married, a grandparent, or other relative of a child growing up between two homes. For whatever reason you find yourself in the situation of helping a child grow up between two homes, it's normal to wonder how to do so now that you're no longer (or maybe never were) a single-home family. Between Two Homes has the answers. In this book, you'll learn how to remain or become coparents (instead of opponents) and how to help your child grow and thrive while living between two homes. Between Two Homes helps you:

- \* Build a successful coparenting relationship so you can stop fighting and start communicating\*
- Recognize obstacles to the coparenting relationship\*
- Take advantage of alternatives to litigation—you don't have to fight it out in court\*
- Talk to your child about the changes using language he or she can understand\*
- Learn the special needs of your child at various stages, from newborn to teenager\*
- Create a coparenting plan\*
- Learn what behaviors, and even what words, can help or hurt your child

This book is also a helpful resource for mental health professionals and family law professionals. Not only does it provide helpful tools to help families, but it is a valuable text to provide to your clients.

"Bradley S. Craig brings practical advice to emotionally driven situations involving one of life's most precious gifts, children. Between Two Homes is a concise, informative, and well-written guide to help parents learn to effectively coparent. I enthusiastically recommend Between Two Homes and Bradley's philosophy on how to effectively coparent." - Lauren Gaydos Duffer, Attorney and President of The Law Office of Lauren Gaydos Duffer, PC

"A great tool for helping families raise children between their two homes." - Jennifer Leister, LPC, Author of Meet Max:

Learning about Divorce from a Basset Hound's Perspective"Brad is one of the premier mental-health professionals dealing with families of divorce in the state of Texas. I, as well as the others Brad comes across, always learn something from him." - Patrick A. Savage, MA, LPC, FAPA, BCPC

Alimony and Property Division, and other related materials. Texas Family Law Practice Manual The Complete Guide to Mechanic's and Materialman's Lien Laws of Texas 5th Edition Providing accurate and objective information to help make the right decisions during a divorce in Texas, this guide provides answers to 360 queries such as How quickly can one get a divorce? Who decides who gets the cars, the pets, and the house? What actions might influence child custody? How are bills divided and paid during the divorce? How much will a divorce cost? and Will a spouse have to pay some or all attorney fees? Structured in a question-and-answer format, this divorce handbook provides clear responses to help build confidence and give the peace of mind needed to meet the challenges of a divorce proceeding.

*Access to Justice* Cengage Learning

Based upon interviews with judges, lawyers, and divorced persons in California, and data collected from that state's court dockets, this volume presents the first systematic examination of the social and economic effects of divorce law reform. Sociologist Weitzman concludes that while the abolition of grounds, fault, and consent has eliminated much of the acrimony previously associated with divorce proceedings, this, together with the institution of gender-neutral standards for property awards and child support, has resulted in increased economic hardship and social dislocation for divorced women and dependent children. Weitzman does not intend to extrapolate her data, conclusions, and recommendations to the whole country; however, it is reasonable to believe that they have national implications. Merlin Whitemen, Dann Pecar Newman Talesnick & Kleiman, Indianapolis Copyright 1985 Reed Business Information, Inc. amazon.com.

Texas Annotated Court Rules: State Courts 2021 Edition Addicus Books The price quoted for the work covers one year's worth of service. The upkeep price for the work is \$1845.50 (updated with supplements and revisions).

### **Don't Alienate the Kids! Raising Resilient Children While Avoiding High Conflict Divorce** CreateSpace

Part I of this book describes the newly emerging problem-solving courts (such as drug treatment courts, domestic violence courts, mental health courts, etc.) and other related approaches to problem-solving judging and judging with an explicit ethic of care. Authors Winick and Wexler show how judges can use therapeutic jurisprudence not only in specialized problem-solving courts, but in general civil and criminal judicial settings as well. In Part II, the book covers emerging "principles" of therapeutic jurisprudence that seem to be at work in successful judicial approaches: how courts can encourage offender reform, how they can help offenders develop problem-solving and coping skills, how they can encourage offender compliance with

release conditions, how they can serve as effective risk managers, and much more.

### Divorce in Texas Government Printing Office

While the formal definition of divorce may be concise and straightforward (legal termination of a marital union, dissolving bonds of matrimony between parties), the effects are anything but, particularly when children are involved. The Americans for Divorce Reform estimates that "40 or possibly even 50 percent of marriages will end in divorce if current trends continue." Outside the U.S., divorce rates have markedly increased across developed countries. Divorce and its effects are a significant social factor in our culture and others. It might be said that a whole "divorce industry" has been constructed, with divorce lawyers and mediators, family counselors, support groups, etc. As King Henry VIII's divorces showed, divorce has not always been easy or accepted. In some countries, divorce is not permitted and even in Europe, countries such as Spain, Italy, Portugal, and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century. This multi-disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology, social and legal history, developmental and clinical psychology, and religion, all through a lens of cultural sociology. Features: 550 signed entries, A-to-Z, fill 3 volumes (1,500 pages) in print and electronic formats, offering the most detailed reference work available on issues related to divorce, both in the U.S. and globally. Cross-References and Further Readings guide readers to additional resources. A Chronology provides students with context via a historical perspective of divorce. In the electronic version, the comprehensive Index combines with Cross-References and thematic Reader's Guide themes to provide convenient search-and-browse capabilities. For state and nation entries, uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations. Appendices provide further annotated sources of data and statistics.

*How to File for Divorce in Minnesota* Volcano Press

This practical guide clearly outlines the steps involved in obtaining an uncontested divorce in Minnesota, but at the same time can serve as a valuable resource for those who have determined that using an attorney is in their best interest. Includes blank tear-out forms and instructions.

**QUICKEN WILLMAKER PLUS 2005 EDITION** Gulf Coast Legal Publishing, LLC

A practice manual and guide for legal aid and private attorneys, advocates and individuals, to support the successful reintegration of those touched by the criminal justice system. Those in reentry face many hurdles and collateral consequences that, if addressed, greatly reduce recidivism and increase family stability. From driver's license restoration and sealing criminal records to navigating child support modification, this guide provides a thorough and user friendly resource for anyone in reentry. Included in the guide are resources, sample pleadings and instructions to support advocates and individuals pro se. This material was originally published by Texas Rio Grande Legal Aid in 2012. Beacon Law, a program of The Beacon of Downtown Houston, undertook continuing updates and publication of the materials in 2015 releasing the 2nd edition and the 3rd Edition in 2017. This is public domain material and is freely available for download on [www.texaslawhelp.org](http://www.texaslawhelp.org). This publication is intended to make the Guide available in hard copy for those who cannot access it online. All proceeds support the continuing updates by Beacon Law of the materials based on legislative changes on a biennial basis.
