The Military Divorce Handbook Simon and Schuster

In divorce and co-parenting, not only do parents need to deal with their own emotions, they may be faced with a daily barrages of hostile calls, texts, social media blasts, and/or emails. How can you regain a sense of control and peace for your own sake and for the kids? For more than a decade, the BIFF method of responding to hostile and misinforming emails, texts and conversations, has grown in use by thousands of people dealing with a person with a high conflict personality. This third book in the BIFF Communication series is especially devoted to parents dealing with issues in and after separation and divorce as they co-parent their children, complete with instructions in the four-step BIFF method and numerous examples for dealing with co-parent situations. When parents use this approach, not only do they feel good about their end of the written or verbal conversation, but it tends to influence the other parent to communicate more productively as well. While it's simple and practical, it's not natural for most of us because we are hooked by the emotional intensity. This book can help you reduce the conflict and regain your sanity by learning what to write and what not to write. Brief, Informative, Friendly and Firm. The BIFF is a communication game changer--it works!

Texas Annotated Court Rules: State Courts 2021 Edition Texas Family Law Practice ManualThe Complete Guide to Mechanic's and Materialman's Lien Laws of Texas 5th Edition

Texas Family Law Practice ManualThe Complete Guide to Mechanic's and Materialman's Lien Laws of Texas 5th EditionLexisNexis

Nolo's Essential Guide to Child Custody and Support Gulf Coast Legal Publishing, LLC

Based upon interviews with judges, lawyers, and divorced persons in California, and data collected from that state's court dockets, this

volume presents the first systematic examination of the social and economic effects of divorce law reform. Sociologist Weitzman concludes that while the abolition of grounds, fault, and consent has eliminated much of the acrimony previously associated with divorce proceedings, this, together with the institution of gender-neutral standards for property awards and child support, has resulted in increased economic hardship and social dislocation for divorced women and dependent children. Weitzman does not intend to extrapolate her data, conclusions, and recommendations to the whole country; however, it is reasonable to believe that they have national implications. - Full text of a wide range of relevant statutes
- More than 30 forms
- Complete set of timetables for filing liens and sending required notices.

Don't find yourself without The Complete Guide to Mechanic's and Materialman's Lien Laws of Texas next time you have to file a lien.

The Complete Guide to Mechanic's and Materialman's Lien Laws of Texas 5th Edition Harper Collins

Part I of this book describes the newly emerging problem-solving courts (such as drug treatment courts, domestic violence courts, mental health courts, etc.) and other related approaches to problem-solving judging and judging with an explicit ethic of care. Authors Winick and Wexler show how judges can use therapeutic jurisprudence not only in specialized problem-solving courts, but in general civil and criminal judicial settings as well. In Part II, the book covers emerging "principles" of therapeutic jurisprudence that seem to be at work in successful judicial approaches: how courts can encourage offender reform, how they can help offenders develop problem-solving and coping skills, how they can encourage offender compliance with release conditions, how they can serve as effective risk managers, and much more.

Battered Wives SphinxLegal

This book explores the nature of mothering during incarceration, how mothers maintain a relationship with their children from behind bars and the ways in which mothering makes desistance more or less likely after incarceration.

The Federal Wage Garnishment Law LexisNexis

FAMILY LAW, sixth edition, provides a comprehensive introduction to modern family law for the paralegal, covering substantive and procedural law with a strong practical emphasis. In addition to fundamental principles of family law and nationwide legal practices, the book includes state-specific assignments to help you identify relevant laws and regulations in your area. Legal analysis exercises help you apply substantive law principles discussed in each chapter, while sample checklists, forms, documents, cases, and exhibits provide exposure to real-world tools and processes used by working professionals. New content for the sixth edition includes updated coverage of evolving legal issues such as same-sex marriage, adoption, fertility, stem cell research, material on legal ethics, and the role of technology in law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BIFF for Co-Parents Guilford Press

Your ex-spouse is bad-mouthing you to your children, perhaps even trying to turn them against you. If you handle the situation ineffectively, you could lose your children's respect, their affection—even, in extreme cases, contact with them. Backed by twenty-five years of experience in helping families, Dr. Richard Warshak presents powerful strategies for dealing with everything from tainted parent-child relationships in which children are disrespectful or reluctant to show their affection to disturbances in which children virtually disown an entire side of the family.

Divorce Poison offers advice on how to: Recognize early warning signs of trouble React if your children refuse to see you Respond to rude and hateful behavior Avoid the seven most common errors made by rejected parents This groundbreaking work gives parents powerful strategies to preserve and rebuild loving relationships with their children and provides legal and mental-health professionals with practical advice to help their clients and ensure the welfare of children.

Divorce in Texas Routledge

The Thousand Paper Cuts Technique Nolo

While the formal definition of divorce may be concise and straightforward (legal termination of a marital union, dissolving bonds of matrimony between parties), the effects are anything but, particularly when children are involved. The Americans for Divorce Reform estimates that "40 or possibly even 50 percent of marriages will end in divorce if current trends continue." Outside the U.S., divorce rates have markedly increased across developed countries. Divorce and its effects are a significant social factor in our culture and others. It might be said that a whole "divorce industry" has been constructed, with divorce lawyers and mediators, family counselors, support groups, etc. As King Henry VIII's divorces showed, divorce has not always been easy or accepted. In some countries, divorce is not permitted and even in Europe, countries such as Spain, Italy, Portugal, and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century. This multi-disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology, social and legal history, developmental and clinical psychology, and religion, all through a lens of cultural sociology. Features: 550 signed entries, A-to-Z, fill 3 volumes (1,500 pages) in print and electronic formats, offering the most detailed reference work available on issues related to divorce, both in the U.S. and globally. Cross-References and Further Readings guide readers to additional resources. A Chronology provides students with context via a historical perspective of divorce. In the electronic version, the comprehensive Index combines with Cross-References and thematic Reader's Guide themes to provide convenient search-and-browse capabilities. For state and nation entries, uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations. Appendices provide further annotated sources of data and statistics.
