Guide - ToonHUD - Customizable HUD for TF2
Team Fortess 2 is the award-winning first person shooter by Valve. Along with the standard maps present in TF2, there are hundreds of custom maps for the game that can be downloaded and installed. This is due to the easily accesible nature of the Source Development Kit which allows the creation of everything from custom mods to maps.

List of maps - Official TF2

Wiki - Team Fortress 2
To install custom maps for Source engine games (e.g. Day of Defeat: Source, Counter-Strike: Source, Team Fortress 2) you should extract the custom map in to the application directory. For example, the default location is: C:\Program Files\Steam\SteamApps\ < Steam account name >\day of defeat source\dod. This should extract content to the correct folders as per the following example: .BSP Files ...
