Five twists on classic fairy tales from five mesmerizing authors—including "Taken in Death," a Lieutenant Eve Dallas story from #1 New York Times bestselling author J. D. Robb. Once upon a time, in a world far removed from the days when fairy tales were new, five bestselling authors spin versions that take the classic stories into a new dimension. You ' ll recognize Hansel and Gretel, Cinderella, Sleeping Beauty, and other enduring characters, but they ' ll exist in realms beyond your imagination, where the familiar is transformed into the extraordinary and otherworldly. Find happily ever after with... MIRROR, MIRROR

## Connections in Death

Penguin  
Winner of the Project Management Institute's David I. Cleland Project Management Literature Award 2010 It's no wonder that project managers spend so much time focusing their attention on risk identification. Important projects tend to be time constrained, pose huge technical challenges, and suffer from a lack of adequate resources. Identifying and Managing Project Risk, now updated and consistent with the very latest Project Management Body of Knowledge (PMBOK)® Guide, takes readers through every phase of a project, showing them how to consider the possible risks involved at every point in the process. Drawing on real-world situations and hundreds of examples, the book outlines proven methods, demonstrating key ideas for project risk planning and showing how to use high-level risk assessment tools. Analyzing aspects such as available resources, project scope, and scheduling, this

new edition also explores the growing area of Enterprise Risk Management. Comprehensive and completely up-to-date, this book helps readers determine risk factors thoroughly and decisively...before a project gets derailed.

*Mirror, Mirror* Open Road Media

As the powerful vampire Lilith prepares to quench her thirst for destruction by unleashing her fury in battle, a medieval sorcerer, one of the circle of six charged by the goddess Morrigan, must travel through time to stop her.

*Obsession in Death* Penguin  
In the latest suspense thriller in the #1 New York Times bestselling series, the year 2060 is drawing to a close in New York City and loved ones are coming together for Thanksgiving. But sometimes

---

the deepest hatreds seethe within the closest relationships, and blood flows faster than water... Lieutenant Eve Dallas has plenty to be grateful for this season. Hosting Roarke's big Irish family for the holiday may be challenging, but it's a joyful improvement on her own dark childhood. Other couples aren't as lucky as Eve and Roarke. The Reinholds, for example, are lying in their home stabbed and bludgeoned almost beyond recognition. Those who knew them are stunned—and heartbroken by the evidence that they were murdered by their own son. Twenty-six-year-old Jerry hadn't made a great impression on the bosses who fired him or the girlfriend who dumped him—but they didn't think he was capable of this. Turns out Jerry is not only capable of brutality but taking a liking to it. With the money he's stolen from his parents and a long list of grievances, he intends to finally make his mark on the world. Eve and her team already know the who, how, and why of this murder. What they need to pinpoint is where Jerry's going to strike next.

Judgment in Death Routledge  
"Of the Nature of Things" is a first-century BCE didactic poem by the Roman poet and philosopher Lucretius to explain Epicurean philosophy to a Roman audience. In this work, T. Lucretius Carus presents the view that the world can be

described by the function of material forces and natural laws. So, one should not fear the gods or death.

Naked in Death Penguin  
Echoes in Death, the chilling new suspense novel from #1 New York Times bestselling author J.D. Robb is the perfect entry point into the compelling In Death police procedural series featuring Lieutenant Eve Dallas. As NY Lt. Eve Dallas and her billionaire husband Roarke are driving home, a young woman—dazed, naked, and bloody—suddenly stumbles out in front of their car. Roarke slams on the brakes and Eve springs into action. Daphne Strazza is rushed to the ER, but it's too late for her husband Dr. Anthony Strazza. A brilliant orthopedic surgeon, he now lies dead amid the wreckage of his obsessively organized town house, his three safes opened and emptied. Daphne would be a valuable witness, but in her terror and shock the only description of the perp she can offer is repeatedly calling him "the devil"... While it emerges that Dr. Strazza was cold, controlling, and widely disliked, this is one case where the evidence doesn't point to the spouse. So Eve and her team must get started on the legwork, interviewing

everyone from dinner-party guests to professional colleagues to caterers, in a desperate race to answer some crucial questions: What does the devil look like? And where will he show up next?

A Forever Kind of Love  
Hachette UK

NYPD lieutenant Eve Dallas must contend with an admirer who proves his devotion by killing repeatedly.

New York to Dallas Penguin  
In this thriller in the #1 New York Times bestselling In Death series, Lieutenant Eve Dallas must solve the murder of an actress whose final role was to die for... Lieutenant Eve Dallas is no party girl, but she's managing to have a reasonably good time at the celebrity-packed bash celebrating The Ilove Agenda, a film based on one of her famous cases. It's a little spooky seeing the actress playing her, who looks as though she could be her long-lost twin. Not as unsettling, though, as seeing the actress who plays Peabody—drowned in the lap pool on the roof of the director's luxury building. Talented but rude and widely disliked, K.T. Harris made an embarrassing scene during dinner. Now she's at the center of a crime scene—and Eve is more than ready to get out of her high heels and strap on her holster to step into the role she was born to play: cop.  
Proverbial Philosophy Penguin  
In the latest novel in the #1 New

York Times bestselling series, homicide detective Eve Dallas sifts through the wreckage of the past to find a killer. The body was left in a dumpster like so much trash, the victim a woman of no fixed address, known for offering paper flowers in return for spare change—and for keeping the cops informed of any infractions she witnessed on the street. But the notebook where she scribbled her intel on litterers and other such offenders is nowhere to be found. Then Eve is summoned away to a nearby building site to view more remains—in this case decades old, adorned with gold jewelry and fine clothing—unearthed by recent construction work. She isn't happy when she realizes that the scene of the crime belongs to her husband, Roarke—not that it should surprise her, since the Irish billionaire owns a good chunk of New York. Now Eve must enter a complex world of real estate development, family history, shady deals, and shocking secrets to find justice for two women whose lives were thrown away...

[Ask a Manager](#) Penguin

An in-depth ethnography of Black engineering students at a historically White institution, *Black Campus Life* examines the intersection of two crises, up close: the limited number of college graduates in science, technology, engineering, and math (STEM) fields, and the state of race relations in higher education. Antar Tichavakunda takes readers across campus, from study groups to

parties and beyond as these students work hard, have fun, skip class, fundraise, and, at times, find themselves in tense racialized encounters. By consistently centering their perspectives and demonstrating how different campus communities, or social worlds, shape their experiences, Tichavakunda challenges assumptions about not only Black STEM majors but also Black students and the “racial climate” on college campuses more generally. Most fundamentally, *Black Campus Life* argues that Black collegians are more than the racism they endure. By studying and appreciating the everyday richness and complexity of their experiences, we all—faculty, administrators, parents, policymakers, and the broader public—might learn how to better support them. This book is freely available in an open access edition thanks to TOME (Toward an Open Monograph Ecosystem)—a collaboration of the Association of American Universities, the Association of University Presses, and the Association of Research Libraries. *Delusion in Death* Penguin  
As the household of NYPSD Lieutenant Eve Dallas and her billionaire husband Roarke prepares for an invasion of family and friends for Thanksgiving, an ungrateful son decides to stop the nagging from his parents - by ending their lives. Soon Jerald Reinhold is working his way through anyone who has ever

thwarted him in his path to an easy life. Eve is increasingly frustrated in her efforts to cover all the potential victims as Jerald stays a terrifying step ahead. As the festivities begin, Eve is desperate to identify which victim on Jerald's long list will be the next, so she can stop the killing spree.

J. D. Robb *In Death* Collection Books 1-5 Berkley

*She Was Just an Instrument*. A weapon. He wanted it to be in that house, inside the house where the cop believed his little girl would always be safe. A phone call from up high interrupts Eve's plans to have a lazy day with her roguish husband Roarke: The teenage daughter of Captain Jonah McMasters, head of the NYPD drug squad, has been found raped and strangled. A terrifying video of Deena, bloody and beaten beyond recognition, suggests a link to a criminal in her father's past, but Eve is getting nowhere - until another murder, and another video, reveals the killer's deadly intent: merciless retribution in the cruellest way possible. Eve and her team must race against the clock to identify the next victim of a killer who will stop at nothing . . .

*Kindred In Death*

HarperCollins

Every day we are asked to fulfil others' requests, and we make regular requests of others too, seeking compliance with our desires, commands and suggestions. This accessible text provides a uniquely in-depth

overview of the different social influence techniques people use in order to improve the chances of their requests being fulfilled. It both describes each of the techniques in question and explores the research behind them, considering questions such as: How do we know that they work? Under what conditions are they more or less likely to be effective? How might individuals successfully resist attempts by others to influence them? The book groups social influence techniques according to a common characteristic: for instance, early chapters describe "sequential" techniques, and techniques involving egotistic mechanisms, such as using the name of one's interlocutor. Later chapters present techniques based on gestures and facial movements, and others based on the use of specific words, re-examining on the way whether "please" really is a magic word. In every case, author Dariusz Dolinski discusses the existing experimental studies exploring their effectiveness, and how that effectiveness is enhanced or reduced under certain conditions. The book draws on historical material as well as the most up-to-date research, and unpicks the methodological and theoretical controversies involved. The ideal introduction for psychology graduates and undergraduates studying social influence and persuasion, *Techniques of Social Influence* will also appeal to scholars and

students in neighbouring disciplines, as well as interested marketing professionals and practitioners in related fields. [Festive in Death](#) AMACOM BOOK THREE OF THE GALLAGHERS OF ARDMORE TRILOGY Walk with #1 New York Times bestselling author Nora Roberts in the shadow of an ancient tower and hear a story of dreams fulfilled and wishes come true... Darcy Gallagher has always believed in the pull of fate, the magic of legend...and the importance of money. She longs to find a rich man who will sweep her away—into a world filled with glamour and adventure, and the exotic life that is her destiny... A wealthy businessman with Irish blood, Trevor Magee has come to Ardmore to build a theater—and to uncover the secrets hidden in his family's past. He thought he had given up on love long ago, but Darcy Gallagher tempts him like no woman ever has. She's gorgeous and intelligent, and she knows what she wants—and he's more than willing to give it to her. But as their mutual attraction flares into passion, they look into their hearts—and find out what happens when you truly believe. Don't miss the other books in the Gallaghers of Ardmore trilogy *Jewels of the Sun* *Tears of the Moon* [Morrigan's Cross](#) Penguin The "shocking" and "suspense-packed" bestseller about one teacher's stand against student violence, and the basis for the Academy Award – nominated film (The New York Times Book Review). After serving his country in World War II, Richard Dadier decides to become an English teacher—and for the sin of wanting

to make a difference, he's hired at North Manual Trades High School. A tough vocational school in the East Bronx, Manual Trades is home to angry, unruly teenagers exiled from New York City's regular public schools. On his first day, Dadier endures relentless mockery and ridicule and makes an enemy of the student body by rescuing a female colleague from a vicious attack. His fellow educators are bitter, disillusioned, and too afraid of their pupils to risk turning their backs on them in the classroom. But Dadier refuses to give up without a fight. Over the course of the semester, he tries again and again to break through the wall of hatred and scorn and win his students' respect. The more he learns about their difficult circumstances, the more convinced he becomes that a good teacher can make a difference in their lives. His idealism will be put to the ultimate test, however, when a long-simmering power struggle with his most intimidating student explodes into a violent schoolroom showdown. The basis for the blockbuster film starring Glenn Ford and Sidney Poitier, Evan Hunter's *The Blackboard Jungle* is a brutal, unflinching look at the dark side of American education and an early masterpiece from the author who went on to write the gritty 87th Precinct series as Ed McBain. Drawn from Hunter's own experiences as a New York City schoolteacher, it is a "nightmarish but authentic" drama that packs a knockout punch (Time). *Forgotten in Death* Penguin THE 25th ANNIVERSARY EDITION OF THE FIRST NOVEL IN J. D. ROBB'S #1

NEW YORK TIMES  
BESTSELLING IN DEATH  
SERIES—INCLUDES A NEW  
NOTE FROM THE AUTHOR!

In the year 2058, technology completely rules the world. But for New York City Detective Eve Dallas, one irresistible impulse still rules the heart: passion... Eve Dallas is a New York police lieutenant hunting for a ruthless killer. In over ten years on the force, she's seen it all—and knows her survival depends on her instincts. And she's going against every warning telling her not to get involved with Roarke, an Irish billionaire—and a suspect in Eve's murder investigation. But passion and seduction have rules of their own, and it's up to Eve to take a chance in the arms of a man she knows nothing about—except the addictive hunger of needing his touch.

The Red Sea Rules Penguin  
Eve Dallas deals with a homicide—and the holiday season—in this thrilling In Death novel from #1 New York Times bestselling author J. D. Robb. Personal trainer Trey Ziegler was in peak physical condition. If you didn't count the kitchen knife in his well-toned chest. Lieutenant Eve Dallas soon discovers a lineup of women who were loved and left by the narcissistic gym rat. While Dallas sorts through the list of Ziegler's enemies, she's also dealing with her Christmas shopping list—plus the guest list for her and her billionaire husband's upcoming holiday bash. Feeling less than festive, Dallas tries to put aside her distaste

for the victim and solve the mystery of his death. There are just a few investigating days left before Christmas, and as New Year's 2061 approaches, this homicide cop is resolved to stop a cold-blooded killer.

Echoes in Death Penguin  
With this Dickensian tale from America's heartland, New York Times writer and columnist Dan Barry tells the harrowing yet uplifting story of the exploitation and abuse of a resilient group of men with intellectual disability, and the heroic efforts of those who helped them to find justice and reclaim their lives. In the tiny Iowa farm town of Atalissa, dozens of men, all with intellectual disability and all from Texas, lived in an old schoolhouse. Before dawn each morning, they were bussed to a nearby processing plant, where they eviscerated turkeys in return for food, lodging, and \$65 a month. They lived in near servitude for more than thirty years, enduring increasing neglect, exploitation, and physical and emotional abuse—until state social workers, local journalists, and one tenacious labor lawyer helped these men achieve freedom. Drawing on exhaustive interviews, Dan Barry dives deeply into the lives of the men, recording their memories of suffering, loneliness and fleeting joy, as well as the undying hope they maintained despite their traumatic circumstances. Barry explores how a small Iowa town remained oblivious to the plight of these men, analyzes the many causes for such profound and chronic negligence, and lays out the impact of the men's dramatic court case, which has spurred advocates—including President

Obama—to push for just pay and improved working conditions for people living with disabilities. A luminous work of social justice, told with compassion and compelling detail, *The Boys in the Bunkhouse* is more than just inspired storytelling. It is a clarion call for a vigilance that ensures inclusion and dignity for all.

Thankless in Death Berkley  
The Stanislaski dynasty lives on as the next generation looks for love! Waiting for Nick Frederica Kimball has had a crush on Nicholas LeBeck since they were kids. Once a reckless teenager, Nick has cleaned up his act and is now one of the most sought-after composers on Broadway. So when Freddie is offered the opportunity to work on a musical with Nick, she wastes no time. She moves to New York City to be closer to Nick...and to be independent for once. Freddie is tired of being looked at like a helpless child and determined to prove she's not a little girl anymore. If only Nick would see things that way, too... Considering Kate Kate Stanislaski Kimball is ready for change. After years in the spotlight, Kate retires from her job as a prima ballerina and decides to open a dance studio in her small hometown. She finally owns the historic building she admired as a kid but needs help fixing it up—which comes in the form of handsome contractor Brody O'Connell. Kate is attracted to Brody the first time she sees him, though Brody insists he's not interested. But no matter how professional Brody tries to keep their relationship, there's no denying the connection he feels with Kate.

"Book and man are brilliant, passionate, optimistic and impatient . . . Outstanding."  
—The Economist

The landmark exploration of economic prosperity and how the world can escape from extreme poverty for the world's poorest citizens, from one of the world's most renowned economists Hailed by Time as one of the world's hundred most influential people, Jeffrey D. Sachs is renowned for his work around the globe advising economies in crisis. Now a classic of its genre, *The End of Poverty* distills more than thirty years of experience to offer a uniquely informed vision of the steps that can transform impoverished countries into prosperous ones. Marrying vivid storytelling with rigorous analysis, Sachs lays out a clear conceptual map of the world economy. Explaining his own work in Bolivia, Russia, India, China, and Africa, he offers an integrated set of solutions to the interwoven economic, political, environmental, and social problems that challenge the world's poorest countries. Ten years after its initial publication, *The End of Poverty* remains an indispensable and influential work. In this 10th anniversary edition, Sachs presents an extensive new foreword

assessing the progress of the past decade, the work that remains to be done, and how each of us can help. He also looks ahead across the next fifteen years to 2030, the United Nations' target date for ending extreme poverty, offering new insights and recommendations.
