"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically,

"Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

As a boy, Horatio Higgins was ignored by the other children, but that didn't stop him having lots of friends...friends only he could see and whom he'd regale with tales of his fantastical exploits. Eventually, though, his parents became concerned at the inordinate amount of time their son appeared to spend talking to himself and took him for treatment, which, in time, proved successful...almost. One friend remained. Unfortunately it was the spiteful one. Years later, living alone in his tiny London flat, Horatio's loneliness is mitigated only by his acid-tongued friend and the company of what he affectionately refers to as "my wife." After losing his job, however, his life begins a rapid downward spiral...that is, until he meets a sweet, impressionable young woman named Nore. As their relationship lurches unsteadily forward, Horatio finds himself struggling against a riptide of conflicting realities he's ill-equipped to cope with. Convinced that only Nore can save him from himself, it soon becomes apparent that she, too, will be dragged into a world where the line between fantasy and reality becomes increasingly and perilously blurred.

Turk's parents are proud of him, the biggest, strongest, most graceful bird at Wishbone Farm. "He's a dancer," says his mother. "He's an athlete," says his father. "He's a goner," says his little brother, Runt. But no one ever listens to Runt -- even after people with seasonal plans and roasting pans begin showing up at Wishbone Farm, or even after the juiciest turkeys are chosen, one by one. "Chosen for what?" Turk asks. No one wants to hear Runt's answer. But you will laugh at what he has to do to get his family's attention. They are, after all, turkeys.

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.
