Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also

serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators. *Kings of Paradise* Penguin  
A new light shines into the darkness of his heart . . . After fifteen years of imprisonment and solitude, Soran Silveri's life is rudely interrupted by the arrival of one brash, headstrong, flame-haired girl. He cannot refuse her appeals for sanctuary-but he can resist her pleas for him to teach her magic. If the suspicions he harbors about her prove true, tapping into her magic potential could spell disaster. Nelle has survived the first hurdle of her mission on Roseward Isle: She convinced the disgraced mage to let her stay. Now, if she can only find his hidden spellbook, she could return home in time to save Papa. It should be simple enough. But as the danger stalking Roseward Isle closes in, a situation that once seemed simple grows more complex by the day. Can Soran bear to send away the woman who has instilled his life with new meaning and purpose? Can Nelle betray the man who has opened her eyes to possibilities she never knew existed?

This classic New York Times–bestselling historical romance tells the enthralling, passionate story of a young English woman who is wrongly convicted of a crime and auctioned off to the highest bidder in the American colonies Born out of wedlock to a London barmaid, Marietta Danver yearns to live life to its fullest despite her humble origins. But her dreams of love and happiness almost die in Newgate Prison, where she is convicted of a crime she didn’t commit and deported to North America to be sold into indentured servitude. In the wild Carolinas, Marietta uses her beauty to survive. But in doing so she arouses unruly passions in the hearts of three men: Derek Hawke, the enigmatic planter who buys Marietta for an outrageous sum; brash, charming Jeff Rawlins, who sweeps her away to Louisiana; and a gentleman whose fervor may conceal a violent madness. From New Orleans’ red-light district to a fashionable estate in Natchez, from the struggles of a life of bondage to the perils of helping to transport slaves to freedom, Marietta vows to prevail and find a true and lasting love. The Marietta Danver Trilogy also includes *Love Me*, *Marietta* and *When Love Commands*.

The Encyclopedia of Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

From New York Times Bestseller Mimi Jean Pamfiloff comes *BATTLE OF THE BULGE*, Book Four of the *OHellINO* Series. (A Standalone.) “Chicks can’t be bodyguards. Especially hot chicks.” MY NAME IS MITCH HOFER. I’m a world-famous swimmer from Australia, best known for three things: my gold medals, my looks, and filling out a swimsuit with my...eh-hem—bulky equipment. Let’s just say there’s a reason my nickname is “the

Bulge.” But beyond the fame, sponsors, and glory, there’s more to me than people know, including one hell of a mess I’ve gotten mixed up in. Life-or-death stuff, so bring in the professionals. Just don’t give me a chick bodyguard. Especially a young hot one who distracts me at every turn and hates my guts... MY NAME IS ABI CARTER, and I hate Mitch Hofer. Yeah, he might be the sexiest champion swimmer in the world, but I’d give this guy a gold medal for being a first-class jerk. Unfortunately, my boss has given me a choice—guard Mitch or get another job. And I really need the money. I can be professional, but if Mitch says “chicks can’t be bodyguards” one more time, I just might strangle him myself. Still, something about the way Mitch keeps looking at me makes me think there’s more to his story. It’s almost as if he’s trying to drive me away. But why?

Monteverdi's Last Operas: A Venetian

Trilogy Independently Published

Claudio Monteverdi (1567-1643) was the first important composer of opera. This innovative study by one of the foremost experts on Monteverdi and seventeenth-century opera examines the composer's celebrated final works—*Il ritorno d'Ulisse* (1640) and *L'incoronazione di Poppea* (1642)—from a new perspective. Ellen Rosand considers these works as not merely a pair but constituents of a trio, a Venetian trilogy that, Rosand argues, properly includes a third opera, *Le nozze d'Enea* (1641). Although its music has not survived, its chronological placement between the other two operas opens new prospects for better understanding all three, both in their specifically Venetian context

and as the creations of an old master. A thorough review of manuscript and printed sources of Ritorno and Poppea, in conjunction with those of their erstwhile silent companion, offers new possibilities for resolving the questions of authenticity that have swirled around Monteverdi's last operas since their discovery in the late nineteenth century. Le nozze d'Enea also helps to explain the striking differences between the other two, casting new light on their contrasting moral ethos: the conflict between a world of emotional propriety and restraint and one of hedonistic abandon.
