It is winter in Area X, the
mysterious wilderness
that has defied
explanation for thirty
years, rebuffing

expedition after expedition, refusing to reveal its secrets. As Area X expands, the agency tasked with investigating and overseeing it--the Southern Reach--has collapsed on itself in confusion. Now one last, desperate team crosses the border, determined to reach a remote island that may hold the answers they've been seeking. If they fail, the outer world is in peril. Meanwhile, Acceptance tunnels ever deeper into the

circumstances surrounding the creation of Area X--what initiated this unnatural upheaval? Among the many who have tried, who has gotten close to understanding Area X--and who may have been corrupted by it? In this last installment of Jeff VanderMeer's Southern Reach trilogy, the mysteries of Area X may be solved, but their consequences and implications are no less profound--or terrifying. The steamy and suspenseful conclusion to the bestselling THAT MAN trilogy... Let's cut to the chase. A sweet little Midwestern girl with a dimpled smile had shown me there was a connection between my cock and my heart. She was in my bloodstream bringing them together. Making me feel emotions and sensations I'd never felt before. ~ The Kiss had changed everything. This painting had turned my heart upside down and torn me apart. I could no longer deny my feelings. I missed him for

only one reason. I was in love. ~ and suspenseful second Blake and Jennifer finally succumb to their passion and are unable to get enough of one another. A shocking discovery, however, threatens to pull them apart. And danger looms. Will the two survive an outside force that promises to bring their love to a cruel and tragic end?

"A romance for our times. Relevant and real with all the feel."-Meredith Wild, #1 New York Times Bestseller From USA Today bestseller Nelle L'Amour, a sizzling

chance romance like none other. Skye: It was love at first sight with Finn. The downtown bad boy with the piercing blue eyes, tattooed biceps, and museum-worthy chiseled body. But while he struggled, I was driven. An investigative reporter determined to pursue the truth to get my story. My credo: Dig deep, then dig deeper. Then one time, I dug too deep and literally dug my own grave, losing everything and everyone dear to me. Until life gave me a second

chance. Finn: Being a renowned artist and single dad isn't easy. My demanding fiancée doesn't help. No matter how much I try, she wants nothing to do with my precious five-year-old daughter. Then she came along. The hot as sin teacher. Scarlet Callahan. She's everything my fiancée isn't. Warm, funny, and down-to-earth, she adores my daughter as much as my daughter adores her. I'm inexplicably attracted to her, but she keeps her distance. Like she's hiding something.

Except I'm going to uncover her secret even if it means risking everything I've ever wanted. And everyone I've ever loved.

(Goodreads) A deformed genius plots vengeance while struggling to survive. A wastrel prince comes of age, finding a power he never imagined. Two worlds are destined to collide. Only one can be king.

"This dark fantasy epic will be held up against George R.R. Martin's masterwork, A Song of Ice and

Fire. Read this book now so you can act pompous around your friends when HBO turns it into a television series." - Goodreads "Kings of Paradise presents a brutal world of complex yet simple politics, reminiscent of Game of Thrones. An intriguing low-magic world packed with interesting cultures to be further delved. Nell shows considerable skill in displaying his world distinctly through the eyes of his different characters." -

Fantasybookreview.co.uk Ruka, called a demon at birth, is a genius. Born malformed and ugly into the snow-covered wasteland of the Ascom, he was spared from death by his mother's love. Now he is an outcast, consumed with hate for those who've wronged him. But to

take his vengeance, he must first survive. Across a vast sea in the white-sand island paradise of Sri Kon, Kale is fourth and youngest son of the Sorcerer King. And at sixteen, Kale is a disappointment. As the first prince ever forced to serve with low-born marines, Kale must prove himself and become a man, or else lose all chance of a worthy future, and any hope to win the love of his life. Though they do not know it, both boys are on the cusp of discovery. Their worlds and lives are destined for greatness, or ruin. But in a changing world where ash meets paradise, only one man can be king... The first installment of an epic, low- fantasy trilogy. Kings of Paradise is a dark, bloody, coming-of-age story shaped by

culture, politics, and magic. "The novel's brilliant world works on so many levels; it has a rich political landscape, moral complexity, and immense environmental challenges, all told in beautiful, thoughtful prose." - Indiereader "A must for lovers of fantasy, especially those who enjoy losing themselves in an epic tale." - Reader's Favorite "The world that Mr. Nell has created is pretty incredible. But the thing that really made me love this story was the characters he filled that world with." - Goodreads "If Kale changes, Ruka grows and festers like a storm. Without a doubt, the darker of the two characters, I feel Richard Nell has created a compelling and classic character here." Goodreads

The Encyclopedia of

Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the

field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as

those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the

person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

A YA romance—with a sparkling commercial voice and a dash of science—that explores

a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through

sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.
