FROM THE AUTHOR OF THE INTERNATIONAL BESTSELLING THAT MAN SERIES, A NEW STEAMY ROMANTIC COMEDY

THAT WILL MAKE YOU LAUGH, CRY, AND SWOON! Brandon:

I've just woken up from a life or death coma. And learned that not only am I Hollywood's number one heartthrob, but I'm also engaged to

America's It Girl, Katrina Moore. She may be a blond goddess, but my brain can't remember shit. And my cock doesn't give a shit. Because my

heart started beating for another the minute she came through the door.

Zoey: Screw Brandon Taylor. Recovering from his hit and run accident, my demanding, egotistical boss is more of jerk than ever. And with those

violet eyes, more ridiculously panty-melting beautiful. As his personal assistant, I have to attend to his every whim and need and contend with his

stuck-up fiancée. Life isn't easy for me. Despite my visible size, I've always been invisible. Maybe, the amnesiac is beginning to remember. A girl can

dream. No man is more unforgettable in every way. Join Brandon and Zoey as their unlikely Hollywood fairy tale unfolds in three full-length

books. From Los Angeles to the South of France, their love story has it all—romance, passion, steamy hot sex, glitz and glamour, plus an adorable

little dog and a murder that could unravel everything."

It is winter in Area X, the mysterious wilderness that has defied explanation for thirty years, rebuffing expedition after expedition,

refusing to reveal its secrets. As Area X expands, the agency tasked with investigating and overseeing it--the Southern

Reach--has collapsed on itself in confusion. Now one last, desperate team crosses the border, determined to reach a remote

island that may hold the answers they've been seeking. If they fail, the outer world is in peril. Meanwhile, Acceptance tunnels ever

deeper into the circumstances surrounding the creation of Area X--what initiated this unnatural upheaval? Among the many who

have tried, who has gotten close to understanding Area X--and who may have been corrupted by it? In this last installment of Jeff

VanderMeer's Southern Reach trilogy, the mysteries of Area X may be solved, but their consequences and implications are no less

profound--or terrifying.

Amid the violent last days of the glittering Russian monarchy, a princess on the run finds her heart where she least expects it. 1917, Petrograd. Fleeing the murderous flames of the Russian

Revolution, Princess Svetlana Dalsky hopes to find safety in Paris with her mother and sister. But the city is buckling under the weight of the Great War, and the Bolsheviks will not rest until they have erased every Russian aristocrat from memory. Svetlana and her family are forced into hiding in Paris's underbelly, with little to their name but the jewels they sewed into their corsets before their terrifying escape. Born the second son of a Scottish duke, the only title Wynn MacCallan cares for is that of surgeon. Putting his talents with a scalpel to good use in the hospitals in Paris, Wynn pushes the boundaries of medical science to give his patients the best care possible. After treating Svetlana for a minor injury, he is pulled into a world of decaying imperial glitter. Intrigued by this mysterious, cold, and beautiful woman, Wynn follows Svetlana to an underground Russian club where drink, dance, and questionable dealings collide on bubbles of vodka. Out of money and options, Svetlana agrees to a marriage of convenience with the handsome and brilliant Wynn, who will protect her and pay off her family's debts. It's the right thing for a good man to do, but Wynn cannot help hoping the marriage will turn into one of true affection. When Wynn's life takes an unexpected turn, so does Svetlana's—and soon Paris becomes as dangerous as Petrograd. And as the Bolsheviks chase them to Scotland, Wynn and Svetlana begin to wonder if they will ever be able to outrun the love they are beginning to feel for one another. "A romance for our times. Relevant and real with all the feel."-Meredith Wild, #1 New York Times Bestseller From USA Today bestseller *Nelle L'Amour*, a sizzling and suspenseful second chance romance like none other. Skye: It was love at first sight with Finn. The downtown bad boy with the piercing blue eyes, tattooed biceps, and museum-worthy chiseled body. But while he struggled, I was driven. An investigative reporter determined to pursue the truth to get my story. My credo: Dig deep, then dig deeper. Then

one time, I dug too deep and literally dug my own grave, losing everything and everyone dear to me. Until life gave me a second chance. Finn: Being a renowned artist and single dad isn't easy. My demanding fiancée doesn't help. No matter how much I try, she wants nothing to do with my precious five-year-old daughter. Then she came along. The hot as sin teacher. Scarlet Callahan. She's everything my fiancée isn't. Warm, funny, and down-to-earth, she adores my daughter as much as my daughter adores her. I'm inexplicably attracted to her, but she keeps her distance. Like she's hiding something. Except I'm going to uncover her secret even if it means risking everything I've ever wanted. And everyone I've ever loved.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

In the mid-1870s, the experimental therapy of lamb blood transfusion spread like an epidemic across Europe and the USA. Doctors tried it as a cure for tuberculosis, pellagra and anemia; proposed it as a means to reanimate seemingly dead soldiers on the battlefield. It was a contested therapy because it meant crossing boundaries and challenging taboos. Was the transfusion of lamb blood into desperately sick humans really defensible? The book takes the reader on a journey into hospital wards and lunatic asylums, physiological laboratories and 19th century wars. It presents a fascinating story of medical knowledge, ambitions and concerns - a story that provides lessons for current debates on the morality of medical experimentation and care.

Brandon: I fucked up big time. She never wants to see me again. I may have a cock that belongs in a museum, but I'm the biggest dick in the world. My psycho fiancée, Katrina Moore, has got me by the balls. In just a few weeks, we're getting married live on TV. With my career on the line, I have no choice. I'm facing the most difficult decision I'll ever have to make. I'm damned if I do; damned if I don't. Zoey: How could he do that to me? He used and abused me, made me his doormat. All the things he said and did to me were just an act. Stupid me for falling in love with him. He stole my heart, my body, and my soul. But there's one thing he's not going to take away from me—my dignity. There's a reason I don't own a TV. I can't bear to watch him say his forever vows to the girl he chose over me. Oh, Brandon Taylor...my dreammaker, heartbreaker. You'll always be unforgettable. Hold on to your seats for the steamy, action-packed conclusion to Nelle L'Amour's bestselling new series. Be

Darius: She's forbidden. My attraction to her is wrong and dangerous. I'm like the serpent in the Garden of Eden targeting Eve. Corrupting her. I understand the serpent, though. When you've seen the worst of humanity, taken the brunt of evil, you crave goodness. You want compassion and courage, even when it comes in a girl far too young and innocent for the likes of you. If I get too close, I'll ruin her. But she's so tempting. Sweet. And impossible to resist. Nell: I can't believe I feel this way about him. Darius is my father's oldest friend. He's broken and scarred in ways I will never know or understand. But so am I. And I see myself in him -- this embattled war photographer and I are more alike than he will ever admit. He warns me. He tells me our desire is wrong. Immoral. But the wild, explosive heat between us is like a living creature. Neither one of us can escape it...no matter how desperately we try. Or even if it destroys us both. ?? New York Times bestselling author Nina Lane returns with the Birdsong Trilogy, a provocative romance between two people whose forbidden love will set their lives—and the world—on fire.

Winner of the 2018 IRDA for fantasy #1 Best Seller in Canadian Dark Fantasy 99% liked it (Goodreads) A deformed genius plots vengeance while struggling to survive. A wastrel prince comes of age, finding a power he never imagined. Two worlds are destined to collide. Only one can be king. "This dark fantasy epic will be held up against George R.R. Martin's masterwork, A Song of Ice and Fire. Read this book now so you can act pompous around your friends when HBO turns it into a television series." - Goodreads "Kings of Paradise presents a brutal world of complex yet simple politics, reminiscent of Game of Thrones. An intriguing low-magic world packed with interesting cultures to be further delved. Nell shows considerable skill in displaying his world distinctly through the eyes of his different characters." - Fantasybookreview.co.uk Ruka, called a demon at birth, is a genius. Born malformed and ugly into the snow-covered wasteland of the Ascom, he was spared from death by his mother's love. Now he is an outcast, consumed with hate for those who've wronged him. But to take his vengeance, he must first survive. Across a vast sea in the white-sand island paradise of Sri Kon, Kale is fourth and youngest son of the Sorcerer King. And at sixteen, Kale is a disappointment. As the first prince ever forced to serve with low-born marines, Kale must prove himself and become a man, or else lose all chance of a worthy future, and any hope to win the love of his life. Though they do not know it, both boys are on the cusp of discovery. Their worlds and lives are destined for greatness, or ruin. But in a changing world where ash meets paradise, only one man can be king... The first installment of an epic, low- fantasy trilogy. Kings of Paradise is a dark, bloody, coming-of-age story shaped by culture, politics, and magic. "The novel's brilliant world works on so many levels; it has a rich political landscape, moral complexity, and immense environmental challenges, all told in beautiful, thoughtful prose." - Indiereader "A must for lovers of fantasy, especially those who enjoy losing themselves in an epic tale." - Reader's Favorite "The world that Mr. Nell has created is pretty incredible. But the thing that really made me love this story was the characters he filled that world with." - Goodreads "If Kale changes, Ruka grows and festers like a storm. Without a doubt, the darker of the two characters, I feel Richard Nell has created a compelling and classic character here." Goodreads

From New York Times Bestseller Mimi Jean Pamfiloff comes BATTLE OF THE BULGE, Book Four of the OHellNO Series. (A Standalone.) "Chicks can't be bodyguards. Especially hot chicks." MY NAME IS MITCH HOFER. I'm a world-famous swimmer from Australia, best known for three things: my gold medals, my looks, and filling out a swimsuit with my...eh-hem—bulky equipment. Let's just say there's a reason my nickname is "the Bulge." But beyond the fame, sponsors, and glory, there's more to me than people know, including one hell of a mess I've gotten mixed up in. Life-or-death stuff, so bring in the professionals. Just don't give me a chick bodyguard. Especially a young hot one who distracts me at every turn and hates my guts... MY NAME IS ABI CARTER, and I hate Mitch Hofer. Yeah, he might be the sexiest champion swimmer in the world, but I'd give this guy a gold medal for being a first-class jerk. Unfortunately, my boss has given me a choice—guard Mitch or get another job. And I really need the money. I can be professional, but if Mitch says "chicks can't be bodyguards" one more time, I just might strangle him myself. Still, something about the way Mitch keeps looking at me makes me think there's more to his story. It's almost as if he's trying to drive me away. But why?
